---	---

Sri Jcaob was working as FBO, Achampet Beat, in Achampet Range. On reliable information, the then Divisional Forest Officer, Wildlife Management, Achampet has formed party consisting one F.S.O, (5) F.B.Os and Driver and the same information was given to staff members to chase private Eicher Van, which was loaded with illegal timber. On the midnight 12/13th of Feb 2006 at 10.30 PM the staff members consisting of one F.S.O, (5) F.B.Os and a Driver waited for Eicher van near Veltoor Gate. The Eicher along with timber load came towards Achampet and the staff members while chasing the Eicher in Jeep No.AP9E5772, has successfully seized the vehicle, while the driver of the seized vehicle in bid to escape has dashed the Jeep, resulting in the death of Sri.C.Jacob, F.B.O, who expired on the spot and other staff members were injured seriously.

Sri Jacob was a committed FBO, who had motivated the party members and had taken the lead to chase the vehicle and had succeeded in seizing the vehicle. But for him it couldn't have been possible to seize the vehicle. He was a strong willed officer who showed presence of mind and had enthused his party members and could seize the vehicle. He deserves to be honoured with highest honour of the Government for his courageous act.
