4. **Fresh license** for lapsed licenses

The following proposal placed before the SLC is examined by members.

Sl.no	Division	Sawmill Name	Distance from Forest (km)
1	Annamayya	M/s Desu Venkatachalamaiah Wood Works	3.282

As per the information provided by the CCF, Tirupati, the license of Sawmill lapsed about 28 years ago i.e., since 1996. The committee decided that it is not feasible to consider for approval as per extant rules.

5. **Proposals for New Sawmills and Additional machinery.**

1. All the applications received in online portal as on 22.11.23 were placed before the Committee in the 17th SLC meeting held on 22.11.2023. The status as on 22.11.2023 was put before the SLC as follows:

Total Applications Received in online portal	1086
Rejected:	548
Accepted:	524
Pending with DFOs:	14

2. The matter was discussed in the 17th SLC and it was opined that in view of large number of rejected applications, further information/specific reasons shall be obtained from DFOs concerned for rejected/pending applications so as to take further action in the ensuing SLC.
3. Accordingly, the District Forest Officers, have thoroughly re-verified all the (548) rejected applications and processed pending (14) applications as per directions of the SLC in its 17th meeting. The District Forest Officers have submitted reports through their Circle Heads to be placed before the SLC. The DFOs have further recommended (22)proposals (17 for Additional Machinery + 5 for New sawmills) after re-verification. The major reason for rejection reported by the District Forest Officers has been shown to be duplication/incomplete applications/withdrawal and non-furnishing of industrial area certificate (for new saw mills). Accordingly, these (22) recommended proposals are moved to Accepted category, in addition to (524)already accepted in 17th SLC. Therefore, the total no. of Accepted applications increases to (546).
4. Further, (24) applications for Additional machinery, out of (109) applications pertaining to the Sawmills running as per the Common orders of Hon'ble High Court of A.P, which were not accounted for in the 17th SLC, have been processed by the DFOs and it was informed that (4) applications were made online whereas (20) sawmillers could not make applications

due to ill health of the owners. After due discussions, the SLC agreed to consider these (24) applications for Additional machinery in view of the fact that they are already running as per High Court orders and may be regularized now along with other 85 applications which were accepted earlier in 17th SLC, so that all (109) such saw mills running Additional machinery on High Court order are treated fairly. However, DFOs concerned shall get all the required information and documents from the 20 Sawmills who could'nt apply online due to various reasons and are considered by the SLC. It was also decided that no fresh timber needs to be allocated to these (109) saw mills since they have been running already with additional machinery. The List of such (109) saw mills is enclosed as **Annexure - I.**

5. Therefore, the total online Accepted Applications, for which timber allocation needs to be made, now get reduced to $546-85=461$. Out of this (461), (94) saw mills are for New license whereas (367) saw mills are for Additional machinery. **Annexure - II**
6. The projections for requirement of timber were placed before the SLC, based on WBIs guidelines, as well as restricting the maximum HP for each sawmill to 40 HP, as decided in 17th SLC.
7. The SLC observed that out of (367) accepted Additional machinery applications, (9) Saw mills already have existing capacity of 40 HP or more, and as such no additional machinery will be permitted. The list of these (9) saw mills is enclosed as **Annexure -III.**
8. Therefore, $367-9= 358$, Saw mills were considered and permitted to establish Additional machinery subject to maximum capacity of 40 HP only (i.e., both existing and additional saws put together). The List of 358 such saw mills is enclosed as **Annexure - IV.** Liberty is given to the applicants to choose the additional machinery such as Vertical, Horizontal or Circular saw so as to confine to 40 HP.
9. Out of (94) applications seeking permission for establishment of New saw mills, (10) sawmill applications which are located in Non Industrial areas are enclosed as **Annexure -V.** This list includes applications of Sri Varaha Lakshmi Narasimha Sawmill and Wood Works (WP No.22236/2023), Vizianagaram District, Murthy Sawmill and Timber Depot (WP No.6742/2022), Krishna NTR District and Mipar Wood Industries(WP No.30160/2023), Tirupati District and in compliance with the orders of the Hon'ble High Court, the applications were considered. It was decided by the Committee that before taking any decision, further details will be obtained from the DFOs concerned with reference to The Andhra Pradesh Wood Based Industries (Establishment and Regulation) Rules,2018 read with G.O.Ms.No.63, Industries & Commerce (SSI) Department, dt.02.05.1995 specifically with respect to following conditions.
 - i. The Sawmills/Wood Based Industries are in residential or non-residential areas in Gram Panchayats.
 - ii. In Municipal areas where Zonal regulations are in force, the Units are conforming to the Zonal regulations.
- 10.As such (84) applications were considered and permission accorded for setting up new saw mills, subject to confirmation that the certificates produced by the applicants regarding Industrial Areas are proved *bona fide*. The DFOs shall coordinate with the District authorities concerned and confirm the genuineness of the certificates submitted by the applicants and only after confirmation that the sawmills are located in the

Industrial areas, the license shall be issued. The Circle Heads shall ensure implementation of this condition compliance scrupulously. The list of (84) such saw mills is enclosed as **Annexure - VI.**

11. Further, in respect of (125) Rejected applications for New saw mills, on the grounds that they are not located in Industrial Areas, the SLC decided that the DFOs and Circle heads concerned shall re-examine such applications in accordance with G.O.Ms.No.63, Industries & Commerce (SSI) Department, dt.02.05.1995 and confirm whether the said saw mill is proposed in non-residential areas and submit the same to be placed before the ensuing SLC. The list of such (125) saw mills is enclosed **Annexure VII.**

6. Sawmills established post 30.10.2002 and subsequently cancelled.

The following two (2) sawmill proposals placed before the SLC have been examined by the SLC.

1. M/s Singara Durga Manikanata Sawmill, Thirupathirajupeta(V), Jaggampeta(M), Kakinada District.
2. M/s Hindustan Wood Works and Sawmill, Near Masthan Darga, G.T. Road, Guntur.

In respect of M/s Hindustan Wood Works and Sawmill, Near Masthan Darga, G.T. Road, Guntur, the Hon'ble High Court of A.P orders dated 06.10.23 in the Writ petition No.25292 of 2023 was considered by the SLC.

Based on the directions from the Hon'ble High Court in respect of M/s Hindustan Wood Works and Sawmill and recommendations received from the Circle Heads, Rajahmundry and Guntur, the SLC decided that these two saw mills, being part of (56) sawmills established post 30.10.2002 and subsequently cancelled, proposals are approved for renewing the licenses of aforesaid (2) sawmills, subject to fulfilling the conditions as approved in the 9th SLC meeting for such saw mills as per directions of the Central Empowered Committee (CEC) of the Hon'ble Supreme Court.

Further, the SLC decided that for such (56) saw mills established post 30.10.2002 and later cancelled, no more applications shall be considered henceforth, for renewal in view of the fact that more than 3 and half years' time has been granted by the SLC to these saw mill owners for submitting their applications for renewal and only (16) proposals have been approved by the SLC as well as the fact that now New saw mills have also been permitted. As such all DFOs and CFs shall note the same and take further action accordingly.

7. Other items:

I. W.P. No. 4471 of 2022, filed by Sri Korla Ravi Kumar, S/o Lakshmi Narayana, Prop:Sri Devi Maha Lakshmi Sawmill, Gunalapadu(V), Vajrapukotturu(M), Srikakulam District.

- The orders of the Hon'ble High Court directing **the State Level Committee to dispose of the appeal dated 16.08.2022, pending before it within a period of four (04) weeks from the date of receipt of a copy of this order, were placed before the SLC.**
- It was also informed to the SLC that as a matter of fact no Appeal dated:16.08.2022 is pending with the SLC. However as per Andhra Pradesh Wood Based Industries(Establishment and Regulation) Rules, 2018, Conservator of Forests, Visakhapatnam is the competent authority to dispose of the appeal of the petitioner.
- CCF, Visakhapatnam stated that the petitioner had submitted an appeal petition in his office on 28.06.2022 against the orders of DFO, Srikakulam and the same has also been disposed of in, Rc.No.1386/2022/M4, dt.03.01.2024.
- Further, the facts were informed to the Government Pleader for Forests in PCCF Ref.No.4729/2019/Prod.3, Dated.11/01/2024 to apprise the Hon'ble High Court at appropriate time.
- As such the SLC noted the compliance of Hon'ble High Court orders by the competent authority as per extant rules.

II. Majji Gowri Saw Mill, Vizianagaram District (Application ID:AP100174)

The owner of the Majji Gowri Saw Mill initially submitted application for shifting of Saw mill from Hyderabad to Srikakulam (after reorganization now it is falling Vizianagaram District). However, due to State bifurcation the same was not done, as inter-state shifting is not feasible. Thereafter, the petitioner submitted a fresh proposal for establishing a new saw mill. This was referred to the DLC on 15.07.2020 but the same was deferred for want of Wood Balance Study Report. The individual approached the Hon'ble High Court by filing W.P. No.12908 of 2020 for establishing a new saw mill. It was disposed by the HHC hoping that the State Level Committee will be reconvened soon, and this issue will be taken up for a decision.

The members of the Committee deliberated on Majji Gowri Saw Mill application (ID 100174), and considered for approval in view of Hon'ble Court order subject to fulfillment of the conditions in G.O.Ms.No.63, Industries & Commerce (SSI) Department, dt.02.05.1995 regarding the location of the sawmill in non-residential area.

III. Authorizing the Divisional Forest Officers (T) for renewal of licenses:

As per Rule 10(5), the Licensing Authority shall renew the license after the receipt of permission /authorization for renewal from the State Level Committee.

As such, the SLC resolved to authorize the Licensing Authorities/ DFOs to renew the Licenses of the existing Sawmills, beyond 31st December, 2023 as per extant rules.

IV. M/s Hella Infra Market Private Limited, Discovery Tower, 4th Floor, Block-A, Plot No-17, Sector 62, Noida, Uttar Pradesh, to establish a Medium Density Fibre Board Plant(MDF) at Naidupeta Industrial Estate, Tirupati District, A.P.

1. M/s Hella Infra Market Private Limited, Noida, Uttar Pradesh in File No.01/IMIMDF-PB/AP/2023, dt.06.07.2023, submitted that they want to establish a Medium Density Fibre Board Plant(MDF) at Naidupeta Industrial Estate, Tirupati District, A.P., by investing around Rs.650 Crore.
2. In this regard, the DFO, Tirupati was permitted to register establishment of said MDF Plant at Naidupeta Industrial Estate, Tirupati under Rule-8 of A.P. WBIs Rules-2018 following the due procedure, field verification and in accordance with GoI, MoEF&CC(SU Division), E.F.No.3-8/2021-SU, dated.22.03.2022, which he has done already.
3. The SLC deliberated and ratified the action of the PCCF&HoFF in having permitted the DFO, Tiruapti to register the Firm.

The meeting concluded with the Prl. Chief Conservator of Forests & Head of Forest Force thanking all the members for participating and providing valuable inputs.
