(d) Counting of war military service towards civil pension - refund of gratuity - rate of interest :-

1. Before 1-4-1975 - 7%
2. 1-4-75 and 30-6-1976 - 7½%
3. From 1-7-1976 - 8½%

[Govt. Memo.No.33552/1070/Pen.I/79-2, dt. 16-02-1980 of Fin & Plg (FW : Pen-I) Department.

20. Counting of war service rendered before Civil employment:

(1) A Government servant who, prior to his appointment in a civil service or post against war reserved or other permanent vacancy which arose for direct recruitment before the 1st January, 1948, had rendered satisfactory paid whole-time, enlisted or commissioned war service in the Armed Forces of India or in similar forces of a Commonwealth country during the period from the 3rd September, 1939 to the 1st April, 1946, which did not earn a service pension under the military rules, shall be allowed to count such service, including all kinds of leave on full rates of pay and sick leave taken during such service, as qualifying service, subject to the following conditions, namely:-

- (a) in the case of a service or post in respect of which a minimum age is fixed for recruitment, no war service rendered below that age shall count as qualifying service;
- (b) no contribution towards or share of pension earned as a result of counting war service rendered in a force of a Commonwealth country shall be claimed from the Government of that country;
- (c) no refund of bonus or gratuity [except service gratuity] in respect of war service shall be demanded from the Government servant concerned.

- (2) War service rendered by a Government servant who was appointed substantively to a civil service or post against vacancies which arose after the 31st December, 1947, shall, subject to the conditions specified in sub-rule [1], be treated as provided in Rule 19.

Note 1 :- [1] In respect of war service candidates appointed permanently to civil posts against vacancies arising after the 31st December, 1947 "War Service" rendered during the last war by itself, or in conjunction with other military service, shall be allowed to count towards civil pension in full. The grant of the concession is subject to the following conditions:-

- (i) The officer concerned should not have earned a pension under the military rules in respect of the service in question;
- (ii) In the case of service or posts in respect of which a minimum age is fixed for recruitment, no military or war service rendered below that age shall be allowed to count for pensions;
- (iii) "War Service" rendered in the Armed Forces of India and rendered in similar forces of a Commonwealth country shall be allowed to count alike for pension and no contribution towards, or share of, a pension earned as a result of this concession shall be claimed from the foreign Government concerned;
- (iv) No refund of bonus or gratuity paid in respect of his 'War Service' shall be demanded from the officer concerned. If, however, the officer has been granted any retirement gratuity for service covering both the War and post-war periods such gratuity shall be refundable.

Where the amount of service gratuity received on account of War/Military Service is not refunded in the manner prescribed in the rules, simple interest at the rates applicable on Government loans from time to time are leviable on the late refund of service gratuity. The interest in respect of persons who entered Government service before 25th July, 1973, after War/Military service shall be levied from 25th July, 1973 to the date of refund to the Government and in case where the entry into Government service after War/Military service is subsequent to 25th July, 1973, interest as above shall be levied from the date of drawal of gratuity from the Military authorities to the date of refund of the gratuity to Government.

- (v) The break if any between the military/war service and the civil service shall be treated as automatically condoned provided the period of the break does not exceed one year. Breaks exceeding one year but not exceeding three years may also be condoned, in exceptional cases, under special orders of Government.
- (2) The service rendered by persons during World War II in the Civil Defence Department shall also be treated as "War Service" for the purpose of this note.

The service in Civil Defence Department shall mean only the service rendered in the Civil Defence Department (including Air Raid Precaution Service and Civil Labour Units) of the Composite Madras State Government, i.e., areas which constituted Madras State as on 30th September, 1953. The provisions in Rule 20 of these Rules and the note shall not apply to the service rendered in the Civil Defence Department (including Air Raid Precaution Service and Service in Civil Labour Units) of the Central and other State Governments.

The benefit of counting of service in Civil Defence Organisations will apply to all persons who have retired and who are still in service.

Note 2:- The question of counting non-regular military (purely temporary) service which was not rendered in conjunction with war service in the Army, Navy and Air Force towards Civil Pension has been considered and it has been decided that such service, if continuous, will count in full towards civil pension if it is followed without interruptions by appointment to or eventual confirmation in a pensionable post in Civil Service. The grant of this concession is subject to the following conditions:-

- (i) The officer concerned should not have earned a pension under the Military Rules in respect of the service in question;
- (ii) In the case of services or posts in respect of which a minimum age is fixed for recruitment, no military service rendered below that age shall be allowed to count for pension; and
- (iii) If the officer has been granted any retirement gratuity in respect of such service, such gratuity shall be refundable.

It has also been decided that the above concession can be allowed even in cases where there are interruptions between the non-regular military/ purely temporary service and the civil service provided such interruptions are condoned. For condonation of such interruptions the following conditions should be fulfilled.

- (1) Service preceding the interruption should not be of less than five years' duration and in cases where there are two or more interruptions, the total service, pensionary benefits in respect of which will be lost if the interruptions are not condoned, should not be less than five years; and
- (2) The interruption should not be more than of one year's duration. In cases where there are two or more interruptions, the total of the periods of all interruptions that are condoned should not exceed one year.

In such cases the pensionary liability in respect of the military service shall be borne by the Defence Authorities and the Government servant shall be required to refund the service gratuity, if any, received by him in respect of the military service rendered by him, before he is allowed to count that service towards Civil Pension.

Note (3):- A question has arisen as to whether the Enlisted/ Commissioned Military Service which is shown as non-pensionable/war time engagement by the Defence Authorities in the certificates of verification of military service, should count towards Civil Pension in the case of persons who are permanently appointed to civil posts. The position is that in the Defence Services there are no non-pensionable establishment and the service officers/ personnel are either on regular or non-regular terms. Those who are on regular terms are entitled to pension/gratuity after rendering the prescribed period of service and others who are not on regular terms are entitled to gratuity as admissible under the rules/orders in accordance with which they are engaged. Non-regular military service when followed by service on regular terms counts for military pension. In the circumstances, the service which is shown as non-pensionable/war time engagement is in fact non-regular (purely temporary) military service including war service and will be allowed to count towards Civil Pension in terms of Notes (1) and (2) above, as the case may be. The pensionary charges in respect of war service in such cases shall be borne by the Civil Authorities and those in respect of military service (other than war service) shall be borne by the Defence Authorities as indicated in Note 6 below.

Note (4):- The question whether the term “Pension under the military rules” mentioned in Notes (1) and (2) includes the disability pension also has been examined. The position is that wherever the disability pension includes service elements, this element has to be surrendered, before the war/military service is allowed to count towards Civil Pension. In cases where the Government servant gets disability pension after he becomes eligible for ordinary pension also and that element of ordinary pension is included in the disability pension, he is not eligible to count war/military service towards civil pensions.

Note (5):- The exact scope of the term “bonus” occurring in Note (1) above has been examined and it is clarified that the underlying idea behind waiving the recovery of the bonus or gratuity received in respect of war service in order to allow such service being counted towards civil pension subsequently under certain conditions laid down in that note is that the bonus/gratuity which was paid by the Defence Authorities to their employees (enrolled combatant personnel/non-enrolled combatant personnel) in respect of war service rendered in the Armed Forces during World War II was not of the nature of any retirement or terminal benefit, but was a reward for serving in the war, awarded with a view to providing an incentive for the temporary employees to join the Armed Forces.

As such war bonus has no relation to the bonus paid under the unified scale of pay scheme to persons serving on the Civil side or on the Defence side in a Civilian capacity, the entire amount of the latter kind of bonus shall have to be refunded in all cases, where the temporary employee is subsequently allowed to count the temporary service for pension.

Note(6):- The question of allocation of pensionary charges between Civil and Defence Authorities has been examined and it has been decided that the charges in respect of war service (3rd September, 1939 to 31st March, 1946) should be borne by the Civil Authorities as in the cases covered by Rule 20 and the charges in respect of military service (other than war service) should be borne by the Defence Authorities in accordance with para 12 of Part IV of Appendix 3 to the Andhra Pradesh Account Code, Volume I.

The general question is that where a period of war/military service is allowed to count towards civil pension any gratuity paid in lieu thereof is required to be refunded has been examined and it has been decided that the amount of gratuity should be refunded has been examined and it has been decided that the amount of gratuity should be refunded and credited to the authorities

who will bear the pensionary liability for the period of service allowed to be counted towards pension. The pensionary liability for the period of war service devolves on the Civil Authorities and that for military service (other than war service) devolves on the Defence Authorities. The retirement gratuity in respect of service covering the war period should therefore be refunded and credited to the Civil Authorities and the retirement gratuity in respect of military service (other than the service, covering war period) should be refunded and credited to the Defence Authorities. The procedure should be followed in all cases where war/military service is allowed to count towards Civil Pension.

Note (7):- Leave taken during war/military service shall count as service for civil pension to the extent to which such leave will count as service for the purpose of pension if the officer concerned had been a temporary employee throughout.

Note (8):- The following categories of service will be treated as "War Service" for purpose of Rule 20 and the Notes thereunder:-

- (a) Service of any kind in a unit or formation for service overseas or in any operational areas;
- (b) Service in India under military, munitions or stores authorities with a liability to service overseas or in any operational area;
- (c) All other service involving subjection to Naval, Military or Air Force Law;
- (d) A period of training with a military unit or formation involving liability to serve overseas or in any operational area;
- (e) Service in any Civil Defence Organisation specified in this behalf by the Central or the State Government.
- (f) (i) Any service connected with the prosecution of the war which a person is required to undertake by a competent authority under the provisions of any law for the time being in force; and
- (ii) Such other service as may hereafter be declared as war service for the purpose of this definition. Only whole time service in any of the kinds specified above will be recognised as war service.

Note(9):- The service rendered in the Indian National Army by persons of the following categories shall be treated as War Service for the purpose of counting it towards Civil Pension under Rule 20 and the Notes thereunder:-

- (i) Persons who were holding civil posts before joining the Indian National Army and have been reinstated in the same posts;
- (ii) persons who were holding civil posts or were members of the regular Indian Armed Forces before joining the Indian National Army and have been re-employed in some other civil posts;
- (iii) Persons who joined the Indian National Army from the general public or from the Armed Forces and have subsequently been absorbed in civil posts.

The service in the Indian National Army shall be admitted on the basis of a certificate issued by the administrative authorities to the effect that the claim is genuine and correct. The administrative authorities shall give such certificates after verification of documents or collateral evidence etc., produced by the persons concerned. In the case of persons belonging to category (iii) the production of adequate proof like documents relating to their enrolment in the Indian National Army should be insisted upon along with the collateral evidence for their having been in that Army.

Note (10):- The service rendered in the Civil Defence Department should be verified with reference to the entries in the service books of the individuals concerned and the discharge certificate produced by them

21. Counting of periods spent on leave:-

(1) All leave during service for which leave salary is payable and all extraordinary leave granted on medical certificate shall count as qualifying service:

Provided that in the case of extraordinary leave (other than extraordinary leave granted on medical certificate) the appointing authority may, at the time of granting such leave, allow the period of that leave to count as qualifying service if such leave is granted to a Government servant.

- (i) due to his inability to join or rejoin duty on account of civil commotion; or
 - (ii) for prosecuting higher scientific and technical studies.
- (2) Extraordinary leave granted for other reasons than those mentioned above will count as qualifying service up to a maximum extent of 36 months in the entire service provided that in the case of a Government servant taking employment elsewhere, extraordinary leave will count as qualifying service subject to payment of pension contribution and leave contribution, as may be prescribed.

[G.O.Ms.No. 214 Fin & Plg (FW. F.R.I) Dept., dt. 3-9-1996]

- (ii). The E.O.L with permission accorded as per the Executive Instruction 1 should not be utilised to secure the job abroad, but should be utilised for undertaking employment abroad only.

[U.O.Note.No. 13127 -A/113/F R I/98 dt 13-5-98 of Fin & Plg (FW FRI) Dept.]

- (iii). The benefit of the availment of above E.O.L shall be given to government employees at a single stretch or in different spells, but for a period not exceeding five years in all during the entire service.

[G.O.Ms.No. 756, Finance (F R I) Dept, dt. 7-8-2002]

22. Counting of periods spent on training:-

The Government may, by order, decide whether the time spent by a Government servant under training immediately before appointment to service under that Government shall count as qualifying service.

¹[*Note:-* The service of a trainee during training period shall count for pension. Provided he is selected for the post as a direct recruit and is appointed to it prior to being sent on training and such training period counts for probation]

23. Counting of periods of suspension:-

Time passed by a Government servant under suspension pending enquiry into conduct shall count as qualifying service where, on conclusion of such inquiry, he has been fully exonerated or the suspension is held to be wholly unjustified. In other cases, the period of suspension shall not count unless the authority competent to pass orders under the rule governing such cases expressly declares at the time that it shall count to such extent as the competent authority may declare.

24. Forfeiture of service on dismissal or removal:-

Dismissal or removal of a Government servant from a service or post entails forfeiture of his past service.

25. Counting of past service on reinstatement :-

(1) A Government servant who is dismissed, removed or compulsorily retired from service, but is reinstated on appeal or review, is entitled to count his past service as qualifying service.

(2) The period of interruption in service between the date of dismissal, removal or compulsory retirement, as the case may be, and the date of reinstatement and the period of suspension if any, shall not count as qualifying service unless regularised as duty or leave by a specific order of the authority which passed the order of reinstatement.

26. Forfeiture of service on resignation :-

(1) Resignation from a service or post entails forfeiture of past service

1. The note was substituted for the earlier note by G.O.Ms.No.224, Fin & Plg (FW.Pen.I) Dept., dt. 4.5.94.

Provided that a resignation shall not entail forfeiture of past service if it has been submitted to take up with proper permission, another appointment, whether temporary or permanent, under the Government where service qualifies.

(2) Interruption in service in a case falling under the proviso to sub-rule (1), due to the two appointments being at different stations, not exceeding the joining time permissible under the rules of transfer, shall be covered by grant of leave of any kind due to the Government servant on the date of relief or by formal condonation to the extent to which the period is not covered by leave due to him.

Note 1 :- Under proviso to Rule 26, resignation of an appointment to take up with proper permission another appointment whether permanent or temporary, service in which counts in full or in part, is not resignation from service. A question has been raised whether in such cases a separate sanction should be issued indicating that resignation has been accepted under the above provisions, in order to enable the audit/administrative officer to regulate the consequential benefits in the matter of pay fixation, carry forward of leave, pension, etc. In cases of the above type the order accepting the resignation should clearly indicate that the employee is resigning to join another appointment with proper permission and that the benefits under proviso to Rule 26 will be admissible to him. The contents of such order should also be noted in the service book of the individual concerned under proper attestation. No separate order sanctioning these benefits in such cases each time would be necessary.

Note 2 :- A member of a service or services, who is selected for appointment by direct recruitment to another post, category or class in the same or different service and is appointed to it, shall, as soon as he is appointed to the post, category or class for which he has been selected by direct recruitment, be deemed to have resigned from the service or services of which he is a member prior to his appointment as aforesaid :

Provided that nothing in this ruling shall affect the benefits accrued to such member of a service or services in the previous post or posts, except the lien or probationary right, as the case may be, on such post or posts.

27. Effect of interruption in service :-

(1) An interruption in the service of a Government servant entails forfeiture of his past service, except in the following cases :-

- (a) authorised leave of absence;
 - (b) unauthorised absence in continuation of authorised leave of absence so long as the post of absentee is not filled substantively;
 - (c) suspension, where it is immediately followed by reinstatement, whether in the same or a different post, or where the Government servant dies or is permitted to retire or is retired on attaining the age of compulsory retirement while under suspension;
 - (d) abolition of office or loss of appointment owing to reduction of establishment;
 - (e) transfer to non-qualifying service in an establishment under the control of the Government if such transfer has been ordered by a competent authority in the public interest;
 - (f) joining time while on transfer from one post to another.
- (2) Notwithstanding anything contained in sub-rule (1), the pension sanctioning authority may, by order, commute retrospectively the periods of absence without leave as extraordinary leave.

28. Condonation of interruption in service :-

The interruption between two or more ¹[spells of Government service or] between non Government service (as service under Municipalities, District Boards etc.) and Government service or between two spells of non Government service shall be treated as automatically condoned without any formal orders of the sanctioning authority without restrictions as regards periods of interruption as well as the length of period preceding interruption excluding, however, the periods of interruption themselves.

Note :- The provisions of the above rule do not apply to interruptions between non regular military (purely temporary) service and civil service.

1. The words spells of service were substituted by these words by G.O.Ms.No.181, Fin & Plg (FW.Pen.I) Dept., dt. 27-7-81.

29. Addition to qualifying service :-

¹[Every Government servant who retires from service on and after the 29th October, 1979, on superannuation shall be entitled to add to his qualifying service, by way of weightage, service not exceeding three years. The aggregate qualifying service after such addition, should not, in any case, exceed the maximum service to earn full pension under these rules.]

Provided that the benefit under this rule shall not be admissible in cases where the Government servant is eligible for the benefit under the Rules 19 and 20 of these rules.

Provided further that where the benefit under Rules 19 and 20 and this rule are applicable, the benefit under any one of these rules, which may be the most advantageous, only shall be admissible.

Executive Instructions

(i) Admissibility of addition to service irrespective of length of qualifying service

The benefit of addition of difference between 33 years of the actual qualifying service not exceeding 3 years is admissible to all those who retire on superannuation irrespective of the length of qualifying service put in by them on the date of retirement.

[Govt. Memo. No. 57233-B/810/Pen.I/81-1 Fin & Plg (FW:Pen.I) Dept., dt 28-4-82.]

[G.O.Ms.No.404, G.A (SC-F) Dept, dt. 25.8.83 w.e.f.1.4.78]

30. Verification of qualifying service after 25 years service:-

(1) Where a Government servant completes twenty-five years of service or is left with five years of service before the date of retirement the Head of Office or Department concerned, as the case may be, shall send the service particulars to the Accountant-General who shall verify them in accordance with the rules for the time being in force, determine the qualifying service and record a certificate that the service up to the specified date has been accepted in audit for purposes of pension and communicate the period of qualifying service so determined.

1. The expression "9(21)" occurring in the original rule was substituted as "9(21) (a)(i)" by G.O.Ms.No. 177, Fin & Plg (FW.Pen.I) Dept., dt. 28.6.88.

Note 2:- Where a Government servant immediately before his retirement or death while in service had proceeded on leave for which leave salary is payable, after having held a higher appointment whether in an officiating or temporary capacity, the benefit of emoluments drawn in such higher appointment shall be given only if it is certified that the Government servant would have continued to hold the higher appointment but for his proceeding on leave.

Note 3:- If a Government servant immediately before his retirement or death while in service had been absent from duty on extraordinary leave or had been under suspension, the period where of does not count as service, the emoluments which he drew immediately before proceeding on such leave or being placed under suspension shall be the emoluments for the purposes of this rule.

Note 4:- If a Government servant immediately before his retirement or death while in service was on earned leave or leave on average pay, as the case may be, and earned an increment, which was not withheld

Annexure

Copy of O.M. No.26(18)-E.V. (B)/75, Government of India, Ministry of Finance Department of Expenditure), New Delhi, dated the 8th April, 1976, addressed to All Ministries and copied to all State Governments. —

Sub :-Permanent transfer of Government servants to autonomous bodies - Grant of retirement benefits.

The undersigned is directed to state that need has been felt for some time past of consolidating at one place, the instructions/orders issued from time to time and still in force on the subject mentioned above. Accordingly, it has been decided, in supersession of all the orders issued on the subject so far by this Ministry and the Department of Personnel to bring out the salient features of the existing instructions in this O.M. This may please be brought to the notice of all Administrative authorities in or under the Ministry of Home Affairs etc., for information/guidance and compliance.

Basis of calculation of retirement benefits :

2. Such of the Government servants as were deputed or transferred to a body corporated owned or controlled by Government or whose services were lent to such a body, should, in the event of their permanent absorption in

service under that body w.e.f. a date prior to 16-6-1967 be paid an amount equal to what Government would have contributed had the officer been on contributory provident fund terms under Government, together with simple interest thereon at 2% for the period of his pensionable service under Government. In such cases the interest (2%) on the total balance of contribution should be calculated for the entire period of pensionable service of the Government servant rendered prior to his permanent absorption in an autonomous body. The amount is to be credited to his C.P. Fund account with the autonomous body as an opening balance on the date of permanent absorption and Government's liability in respect of the Officer's pensionable service under them would be treated as extinguished by this payment. This decision applies, however, only where the permanent transfer from Government service to an autonomous body is in the public interest and the transfer is to a Government or to a quasi-Government Corporation or an autonomous body and not to a private institution. In all other cases, Government will not accept any liability to pay any retirement benefits for the period of service rendered by the officer before his transfer. The concession is not to be claimed as a matter of right but is sanctioned at the discretion of Government in individual cases where it is merited, and each case has to be referred to the Department of personnel and the Ministry of Finance.

Retirement Benefits - Transfer to new account :

3. Credit to the Contributory Provident Fund Account of the Government servant permanently absorbed in the service of a body corporate wholly or partially owned by Government, as indicated above, was to be given as an opening balance on the date of absorption, in cases of those permanently absorbed upto 17-8-1964. In cases of those absorbed thereafter, the credit was only to be given either after the Government servant had rendered five years service under that body (including any period of service rendered immediately before permanent absorption) or on the date on which he would have retired had he continued in Government service, whichever was earlier.

Transfer of Provident Fund Balances:

3A. (i) According to Explanation III below Rule 31 of the General Provident Fund Rules and corresponding Rule 33 of Contributory Provident Fund Rules (India), 1962 which provides that when a subscriber is transferred, without any break, to service under a body corporate owned or controlled by Government, the amount of subscription, together with interest thereon, shall not be paid to him but shall be transferred, with the consent of that body, to his

new Provident Fund Account under that body.

It has been, however, decided that in cases where the corporate bodies do not have any Provident Fund Scheme or whose Provident Fund Rules do not provide for the acceptance of balance from other Provident Funds, the amount in question should be finally paid to the person concerned at the time of his permanent transfer to such a body.

In cases where the Provident Fund money is accepted by the corporate body subject to fulfilment of certain conditions viz., that the Government servant should complete the probationary period with them or that he should be confirmed in a post under them, the PE money of the persons concerned may be retained with Government till such time as it is transferred to the body concerned. In such cases the PE account of the individual concerned would cease to be 'alive' on the date of permanent transfer of the person concerned to such a body. In other words, no withdrawals from the Provident Fund will be permitted for any purpose including payment of premium towards life insurance policies. Fresh subscription to the Fund, except recoveries in respect of outstanding advances, shall not be accepted. The PF money held by Government would continue to earn interest at the normal rate till the date of transfer of the amount to the corporate body.

(ii) In respect of the Government servants permanently absorbed in the public sector undertakings, the position is as follows:-

The amount of subscriptions, together with interest thereon standing in the PF account of a Government Officer opting for service under an enterprise may, if he so desires, be transferred to his new Provident Fund account under the enterprise provided the concerned enterprise also agrees to such a transfer. If, however, the subscriber does not desire the transfer or the concerned enterprise does not operate a Provident Fund, the amount aforesaid shall be refunded to the subscriber. Similarly in the case of CPF the amount of subscription and the Government contribution together with interest thereon, of a subscriber opting for service under a public enterprise may, if he so desires, be transferred to his new PF account under the enterprise if the concerned enterprise also agrees to such transfer. If, however, the subscriber does not desire the transfer or the concerned enterprise does not operate a provident fund the amount aforesaid shall be refunded to the subscriber.

4. The retirement benefits granted to a Government servant who is permanently absorbed in an autonomous body/public sector undertaking have been reviewed and the following revised terms were sanctioned in respect of

those absorbed on or after 16-6-1967;.

(i) A permanent Government servant on absorption in a public undertaking is eligible for pro-rata pension and DCRG based on the length of his qualifying service under Government till the date of absorption. The pension will be calculated on the basis of average emoluments for three years preceding the date of absorption and the DCRG on the basis of the emoluments immediately before absorption.

Payment of Service Gratuity in lieu of Pension:-

In cases where a Government servant at the time of absorption has less than 10 years' service and is not entitled to pension, the question of proportionate pension will not arise, he will only be eligible to proportionate service gratuity in lieu of pension and to DCRG based on length of service.

(ii) The amounts of pension/gratuity and the DCRG would be concurrently worked out and will be intimated to the Government servant concerned as well as the undertaking as and when an officer is absorbed.

Exercise of Option:

- (iii) Every Government servant is to exercise an option, within six months of his absorption, for either of the alternatives indicated below:
 - (a) Receiving the monthly pension and DCRG already worked out, under the usual Government arrangements.
 - (b) Receiving the gratuity and a lumpsum amount in lieu of pension worked out with reference to commutation tables obtaining on the date from which the pro-rata pension, gratuity etc, would be disburseable.

Where no option is exercised within the prescribed period, the officer will automatically be governed by alternative (b) above. Option once exercised shall be final. The option shall be exercised in writing and communicated by the Government servant concerned to the undertaking/autonomous body.

(iv) Cases of resignation from a public undertaking /autonomous body will, for the purpose of these orders, be treated as resignation from Government service, entailing forfeiture of earlier service under Government and loss of the pensionary benefits under these orders.

(v) For the period of service rendered in a public undertaking autonomous body, the absorbed officers will be entitled to all the benefits admissible to other corresponding employees of the organisation.

(vi) The total gratuity admissible in respect of the service rendered under the Government and that under the public undertaking/autonomous body should not exceed the amount that would have been admissible had the Government servant continued in Government service and retired on the same pay which he drew on retirement from the Public undertaking autonomous body.

(vii) Non admissibility of liberalisations of Pension Rules after absorption:

Any further liberalisation of pension rules decided upon by Government after the permanent absorption of a Government servant in a public undertaking/autonomous body would not be extended to him. However, the benefit of further liberalisation in pension shall also be allowed to a Government servant after his permanent absorption, if, in any case, such liberalisation is sanctioned retrospectively w.e.f. a date prior to the date of such absorption.

Commutation of Pension:

(viii) In cases where an officer has opted to receive pension as at (iii) (a) above but wishes to commute a portion of the pension, such commutation will be regulated in accordance with the Government rules in force at the time of commutation of his pension.

Public Interest:

The above decisions will apply only where the permanent transfer from Government service to a public undertaking/autonomous body is in the public interest. In all other cases, Government will not accept liability to pay any retirement benefits for the period of service rendered by Government servant before his transfer.

Deputation on one's own violation:

Pensionary benefits admissible in cases of absorption with effect from 21-4-1972.

5. Permanent transfer of Government servants who apply in response to a press advertisement etc., for posts in autonomous bodies/public sector undertakings whether incorporated or not, which are wholly or substantially owned by the Government of India is not treated as in the public interest and

the Government has no liability to pay any retirement benefits or for carry forward of leave for the period of service rendered under the Government. However, on the position being reviewed further, it was decided that a permanent Government servant who has been appointed in an autonomous body financed wholly or substantially by Government on the basis of his own application shall, on his permanent absorption in such body w.e.f. 21-4-1972 or thereafter be entitled to the same retirement benefits in respect of his past service under the Government as are admissible to a permanent Government servant going on deputation to an autonomous body and getting absorbed therein, except carry forward of leave.

Finance Ministry's prior approval:

6. In all such cases of grant of pro-rata retirement benefits to Central Government employees, under the orders quoted in the preceding paragraphs, the administrative Ministers are required to consult the Ministry of Finance before orders are issued in each individual case. However, in respect of the non-gazetted employees of the Indian Audit and Accounts Department, the C&AG will be the competent authority to confer retirement benefits.

A question had also been raised whether retrospective absorption is permissible in terms of the orders referred to above. Such question would arise in cases where a person is initially sent to such a company /corporation on deputation and deputation period is sought to be curtailed retrospectively. While a person is on deputation, leave/pension contributions are payable to Government by the company etc., or the person concerned. Retrospective absorptions may lead to claim for refund or non-payment of such contributions which cannot be withheld or refunded under the rules. In view of this it has been decided not to allow retrospective absorption of the employees on deputation to the companies/corporations etc.

Carry forward of leave:

7. In respect of deputationists who opt for absorption in any statutory body or autonomous organisation owned or controlled by Government such body or organisation should take over the liability in regard to leave on average pay/earned leave that the optee has to his credit at the time of leaving Government service and in return Government shall pay to the statutory body/ autonomous organisation a lumpsum equal to leave salary for the leave on average pay/earned leave due to the Government servant on the date of his permanent absorption in such body/organisation. While issuing the final

sanction for the absorption of the optee in the autonomous organisation, the administrative Ministry/Cadre authority concerned should also incorporate the provision with regard to payment of lumpsum equal to leave salary by Government. This benefit will be available only in cases where the permanent transfer from Government service to a statutory body/ autonomous organisation is in public interest. These orders take effect from 20-2-71 and cases already decided otherwise will not be reopened.

Refixation of pay:

The pay of the Government servant permanently absorbed in an autonomous body will be refixed as re-employed pensioner w.e.f. the date from which he becomes entitled to draw the pro-rata retirement benefits.

Family Pension:

8. (i) The families of Government servants permanently absorbed in the autonomous bodies w.e.f. 16-6-1967 will also be eligible for family pension under Rules 54 and 55 of CCS (Pension) Rules, 1972.

(ii) The benefit of family pension will be admissible only to the families of those who were/are actually in receipt of pension from the Central Government after their absorption in autonomous body/public undertaking. This benefit will not be admissible to the families of those who got only the service gratuity i.e., who were/are absorbed before rendering 10 years qualifying service under the Government. Family pensions will, however, also be admissible to the families of those Government servants absorbed in the public sector undertakings/autonomous bodies who draw the lumpsum amount in lieu of monthly pension on their absorption on the date of its becoming due and thus do not draw any monthly pension on the date of death. Similarly Family Pension will also be payable to the families of those whose monthly pension or lumpsum amount has not become payable and is disburseable from the earliest date of voluntary retirement but the personer dies before that date without receiving these benefits.

(iii) This benefit will also be admissible to the families of such Government servants as have been appointed in the autonomous bodies financed wholly or substantially by Government on the basis of their own applications and granted retirement benefits on their permanent absorption therein in respect of the past service under the Government.

(iv) Grant of family pension will be subject to the usual contribution of

two months emoluments of the Government servant at the time of permanent absorption in an autonomous body/undertaking. Persons who have already drawn the pension and other benefits on absorption should deposit their two months contribution within six months from 8th October, 1975.

(v) Family pension will be admissible from only one source, i.e., either from the Central Government or the public sector undertaking/autonomous bodies in cases such organisation has a similar scheme for payment of family pension. The beneficiary may be given option to choose either of the two schemes.

(vi) It will be the responsibility of the pension sanctioning authority to process the claim for family pension, forwarding to the audit office for issue of an authority after satisfying itself that no such claim exists in the public sector undertaking/autonomous body or that the undertaking or autonomous body has not extended its family pension scheme to the person concerned.

(vii) The above orders will apply automatically to the cases in which necessary Government sanction has already been issued. Therefore, it is not necessary to issue formal amendments to the relevant sanction letters. Suitable provision will, however, be incorporated in the relevant sanctions to be issued hereafter.

Consultation with Parent Department:

9. In all cases where a Government servant is to be absorbed permanently by the foreign employer under his organisation it would be incumbent to consult the parent employer before issuing order absorbing the Government servant permanently in his service. The orders of permanent absorption should be issued only after the resignation of the Government servant has been accepted by the Government and w.e.f. the date of such acceptance.

Formal Resignation not necessary:

10. With the coming into force of CCS (Pension) Rules, 1972 (which inter-alia, contain a provision of deemed retirement in the case of Government servants absorbed permanently in the public sector undertaking/autonomous body). It has now been decided that obtaining of formal resignation is not necessary if an individual is deemed to have retired from service by virtue of Rule 37 of CCS (Pension) Rules, 1972 i.e., consequent on the conditions required by this Rule, viz., permission should have been granted to the

absorption in the service of the company or other body corporate, the absorption should be declared by the Government to be in the public interest, there should be an actual order of absorption and the Government servant should also consent to such absorption, being satisfied.

Commutation and exemption from Income-Tax :

11. In accordance with Rule 37 of CCS (Pension) Rules, 1972, a Government servant who has been permitted to be absorbed in a service or post in or under a corporation or company wholly or substantially owned or controlled by the Government or in or under a body controlled or financed by the Government shall, if such absorption is declared by the Government to be in the public interest, be deemed to have retired from service from the date of such absorption. Each such Government servant is required under the relevant orders applicable to him to exercise an option within six months of his absorption for either of the alternatives indicated below:

- (a) receiving the monthly pension and DCRG under the usual Government arrangements, or
- (b) receiving the gratuity and a lumpsum amount in lieu of pension worked out with reference to the commutation tables obtaining on the date from which the commuted value becomes payable.

Where no option is exercised within the prescribed period, the Government servant is automatically governed by alternative (b).

- 12. A person opting for alternative (a) is entitled to commutation of a portion of the pension admissible to him in accordance with the provisions of Civil Pension (Commutation) Rules.

- 13. It has been decided that where a Government servant elects the alternative (b) referred to above he should be granted;

- (i) on an application made in this behalf, a lumpsum amount not exceeding the commuted value of 1/3rd of his pension as may be admissible to him in accordance with the provisions of Civil Pension (Commutation) Rules;
- (ii) a terminal benefit equal to twice the amount of lumpsum referred to it (i) above subject to the condition that the Government servant surrenders his right of drawing 2/3rd of his pension.

The commuted value of 1/3rd of the pension mentioned at (i) above will be exempt from income-tax whereas the terminal benefit component

mentioned at (ii) above will be chargeable to tax as the income of the year in which it is due. However, the recipient will be eligible for a relief in tax in respect of the said amount; such relief being calculated by spreading the amount equally over the three preceding years immediately preceding the year in which the payment is received and subjecting it to tax at the average of the average rates applicable to the total income of those years after adding thereto one-third of the amount. The relief in such cases is to be granted by the Central Board of Direct Taxes and an application for such relief under Section 89(1) of the Income-Tax Act should be made to the Board through the ITO concerned.

14. In the case of Government servants who opt for or are automatically governed by the alternative (b) in para 11 above, the payment of monthly pension will commence from the due date pending their medical examination in accordance with the provision of the Civil Pension (Commutation) Rules. The commutation shall become absolute and the title to receive the commuted value shall accrue on the date on which the Medical Board (Authority) signs the medical certificate. If the Medical Board (Authority) directs that the age of the employee for the purpose of commutation shall be assumed to be greater than his actual age, the person concerned will have the opportunity to change his option for receiving a lumpsum in lieu of monthly pension to receiving the monthly pension by written notice despatched within two weeks from the date on which he receives intimation of the finding of the Medical Board (Authority). If the applicant does not change his option within the period of two weeks prescribed above, he shall be assumed to have accepted the findings of the Medical Board (Authority).

Date of payment of pro-rata retirement benefits:

15. A Government servant who is permitted to be absorbed in the public interest in a public sector undertaking or autonomous body is deemed to have retired from Government service from the date of his absorption in public sector undertaking or autonomous body and his retirement benefits are determined with reference to the length of qualifying service rendered under Government till the date of his absorption. In the case of absorption in an autonomous body from 16-6-1967 onwards or a public sector undertaking prior to 8-11-1968, retirement benefits become payable either from the earliest date from which Government servant could have retired voluntarily under the rules applicable to him or from the date of absorption in the undertaking/corporation whichever is later.

16. Procedure for drawal of pro-rata retirement benefits:

Clarifications have been sought as to the procedure which should be followed for sanctioning and authorising the payment of retirement benefits to those absorbed in public sector undertakings and autonomous bodies. Since the Government servants are deemed to have retired from Government service on the date of absorption, the procedure laid down in Chapter (viii) of CCS (Pension) Rules, 1972 which applies to Government servants who retire in normal course, should mutatis mutandis apply in the case of Government servants who are absorbed in the public interest in a public sector undertaking or in an autonomous body. The disbursement of the retirement benefits should be authorised from the date indicated in Government's letter allowing the Government servant to be absorbed in public sector undertaking or autonomous body.

17. In respect of an employee who held non-gazetted posts before absorption, Forms 6 and 7 of CCS (Pension) Rules, 1972 should be filled in by the Head of Office and forwarded to the Audit Officer for determining final amount of pension and death-cum-retirement gratuity. Where the retirement benefits are payable from the date of absorption, the Head of Office should obtain the particulars required under paras 2 to 4 of Form 5 and forward the same to the Audit Officer along with the pension papers. The Audit Officer after applying the necessary audit checks, will inform the absorbed employee, autonomous body/public sector undertaking and the Head of Office of the amount of pension and DCR Gratuity and the date from which they are payable to him. Where the retirement benefits become payable from a date subsequent to the date of absorption, the particulars required under paras 2 to 4 of Form 5 should be furnished to the Audit Officer by the absorbed employee through his employer six months before the date on which the payment of the retirement benefits is to commence to enable him to issue PPO/G.P.O.

18. In respect of employees who held gazetted posts before absorption, action to fill in Form 7 should be initiated by the Audit Officer. The Audit Officer after determining the amount of pension and DCR Gratuity will inform the absorbed employee, autonomous body/public sector undertaking and Head of Office/Department of the amount of retirement benefits and the date from which they are payable to him. Where the retirement benefits are payable from the date of absorption, the Audit Officer will also obtain the particulars required under paras 2 to 4 of Form 5 through the employer of the absorbed employee before authorising payment of retirement benefits. In other cases

the particulars required under paras 2 to 4 of Form 5 should be furnished to the Audit Officer by the absorbed employee through his employer six months before the date on which the payment of the retirement benefit is to commence. As soon as Government orders regarding absorption of a Government servant are issued the Head of Office will forward Form 7 duly completed to the Audit Officer and such other information as the Audit Officer may require.

19. The procedure laid down in Chapter VIII of the CCS (Pension) Rules, 1972 may be adopted keeping in view the position stated in these orders. The provisions contained in Chapter VIII for authorising payment of provisional pension for a period of six months and 3/4 of the DCRG by the Head of Office need not be observed in the case of an employee who before his absorption had held a non-gazetted post. Payment of the retirement benefits will be received by the employee concerned from the treasury of his own choice.

Benefit of service rendered under Government in respect of Scientific employees:

20. On the basis of the recommendations of the Second Pay Commission (i) for counting towards pension of service rendered by scientific employees of semi-Government Institutions, financed from cess or Government grants, on their appointment to a pensionable service under the Government of India; and (ii) the rate of pension contribution payable by universities when they borrow service of Government servants who are Scientists and Technologists, it was decided as follows:-

(i) A scientific employee of a semi-Government institution which is financed wholly or mainly cess or Central Government grants who was on a CPF basis in such an institution may, on permanent appointment without any interruption to a pensionable service or post under the Government of India count his previous service in that institution during which he subscribed to that Fund as service qualifying for pension provided that the contribution together with interest thereon paid by the institution is made over to the Government. The service during which he did not subscribe to the CPF will not be so reckoned unless the previous employer agrees to bear proportionate charges on account of pensionary benefits for the service so rendered. If, however, the officer was not on a CPF basis in such an institution, his previous service will be reckoned as qualifying for pension if the previous employer agrees to bear proportionate charges on account of pensionary benefits.

(ii) If the services of a Government servant who is a scientist or a technologist are lent to a university, the rate of pension

contribution, which the university will pay, will be restricted to the rate at which it contributes to the Provident Fund of its employees.

These orders take effect from 28-3-1960 and past cases of transfer will be regulated in accordance with the orders already in force. The concession sanctioned in para 1 (i) is admissible to all officers who were in service of the Government of India on 28-3-1960 provided that ;

(i) the officers who had already drawn the Contributory Provident Fund benefits in respect of their service under the semi-Government institutions refund either in lumpsum or in monthly instalments not exceeding twelve in number, the institution's share of contribution together with interest thereon from the date of withdrawal to the date of final payment. The title to count service for pension will not accrue until the amount refundable and interest thereon have been refunded in full.

(ii) if no such benefit had been received, the previous employer agrees to bear the proportionate pensionary liability.

21. With a view to increasing mobility of scientific talent all round, the benefit of the concessions contained in para 20 should also be made available to scientific employees of Government going over to Central autonomous organisations like CSIR etc., without break. These orders will also apply to Central Universities.

22. The pensionary liability in such cases will be allocated on the basis of length of service in case the autonomous organisation, where the officer takes up service, has pensionary benefits for its employees. The Government of India would discharge their liability by payment of capitalised value of their share of pension together with the share of gratuity, if any, to the autonomous organisation on retirement of the officer from the service of such an organisation.

Similar procedure should apply in the event of death of an officer while in service of the autonomous organisation. In other cases Government's liability will be discharged by way of payment of pro-rata retirement benefits for the part of service rendered under the Government before absorption according to the instructions contained in the preceding paragraphs.

23. It was clarified in this Ministry's OM No.12(4)-EV/60 dated 5-6-1969 that in the case of Scientific employees of Government going over to the Central autonomous organisations like CSIR etc., without break on or after

16-6-1967, the pensionary liability will be discharged by way of payment of pro-rata retirement benefits for the part of service rendered under the Government. As a result of the issue of this clarification, Scientific employees belonging to Government Departments who get absorbed in the autonomous body which has the pensionary benefits to its employees, have been deprived of the pensionary benefits i.e., benefit of pension of combined service by counting the service rendered under the Government as well as autonomous organisation. The position has been reviewed as a result of representations from scientific employees and it has been decided that such employees belonging to Government Departments on their absorption in autonomous bodies which have pensionary schemes will, on retirement from service of the autonomous body concerned become eligible for pensionary benefits based on the combined service rendered under Government and the service rendered under the autonomous body. Death benefits, if admissible under the rules of the autonomous body, will also be payable to such an absorbed employee. The pensionary liability including liability arising out of grant of death benefits will continue to be allocated as aforesaid. Thus the provisions of this Ministry's clarificatory orders dated 5-6-1969 will cease to apply to a scientific employee who is absorbed in an autonomous body which has a pensionary scheme.

24. The provisions of the orders contained in para 23 shall not apply to a scientific employee absorbed in an autonomous body who before 12-9-1974 had quit the service of the autonomous body or who while in the service of the autonomous body has started receiving or has become eligible to receive the pro-rata pension etc. However, a scientific employee who was absorbed in an autonomous body before 12-9-1974 but had not become eligible to receive the pro-rata pension etc., will get retirement benefits in terms of these orders i.e., benefit of pension on the basis of combined service.

State Government employees absorbed in Central autonomous bodies.

25. Normally when a State Government servant is absorbed in a Central autonomous body the liability for the benefits accruing for the past service rendered by him under a State Government falls on that Government and should be discharged by them. However, in case a State Government refuses to bear the liability the question whether it should be taken over by the autonomous body will arise only if the absorption is considered inescapable. In such cases the autonomous body should in their proposal relating to the initial appointment or absorption of the State Government employees bring

out specifically and clearly the extra expenditure involved in absorbing the employee so that this factor is given due weight by Government before it is decided to absorb him.

In so far as the persons working in the Indian Audit and Accounts Department are concerned, these orders have been issued after consultation with the Comptroller and Auditor General of India.

(2) Copy of OM No.28/10/84-Pension Unit, Government of India, Ministry of Home Affairs, Department of Personnel & Administrative Reforms, New Delhi addressed to all State Governments, dated 29-8-1984. —

Sub: Mobility of personnel between Central Government Departments and Autonomous Bodies - Counting of service for pension.

As per existing orders, service rendered outside Central Government does not count for pension in Central Government except in the case of scientific employees of autonomous bodies financed or controlled by the Government, who on permanent absorption under the Central Government are allowed to count their previous service for pension subject to certain conditions. In respect of personnel other than scientific employees, who are permanent in Central Government, in the event of their subsequent permanent absorption in public sector undertakings or any autonomous body, proportionate retirement benefits for the service rendered in Government till the date of permanent absorption are allowed as per rules in force at the time of absorption. No such benefit is allowed to temporary employees going over to autonomous body or undertakings.

2. A number of Central autonomous/statutory bodies have also introduced pension scheme for their employees on the lines of the pension scheme available to the Central Government employees. It has, therefore, been urged by such autonomous/statutory bodies that the service rendered by their employees under the Central Government or other autonomous bodies before joining the autonomous body may be allowed to be counted in combination with service in the autonomous body, for the purpose of pension, subject to certain conditions. Similar provisions for employees of autonomous body going over to Central Government have also been urged. In other words, the suggestion is that the benefit of pension based on combined service should be introduced.

3. This matter has been considered carefully and the President has now been pleased to decide that the cases of Central Government employees

going over to a Central autonomous body or vice-versa and employees of the Central autonomous body moving to another Central autonomous body may be regulated as per the following provisions:-

(a) In case of Autonomous Bodies where Pension Scheme is in operation

(i) Where a Central Government employee borne on pensionable establishment is allowed to be absorbed in an autonomous body, the service rendered by him under the Government shall be allowed to be counted towards pension under the autonomous body irrespective of whether the employee was temporary or permanent in Government. The pensionary benefits will, however, accrue only if the temporary service is followed by confirmation. If he retires as a temporary employee in the autonomous body, he will get terminal benefits as are normally available to temporary employees under the Government. The same procedure will apply in the case of employees of the autonomous bodies who are permanently absorbed under the Central Government.

The Government /autonomous body will discharge its pension liability by paying in lumpsum as a one time payment, the pro-rata pension/service gratuity/terminal gratuity and DCRG for the service upto the date of absorption in the autonomous body/Government, as the case may be. Lumpsum amount of the pro-rata pension will be determined with reference to commutation table laid down in CCS (Commutation of Pension) Rules, 1981, as amended from time to time.

(ii) A Central Government employee with CPF benefits on permanent absorption in an autonomous body will have the option either to receive CPF benefits which have accrued to him from the Government and start his service afresh in that body or choose to count service rendered in Government as qualifying service for pension in the autonomous body by foregoing Government's share of CPF contributions with interest, which will be paid to the concerned autonomous body by the concerned Government Department. The option shall be exercised within one year from the date of absorption. If no option is exercised within stipulated period, employee shall be deemed to have opted to receive CPF benefits. The option once exercised shall be final.

(b) Autonomous body where the Pension Scheme is not in operation :

(i) A permanent Central Government employee borne on pensionable

establishment, on absorption under such autonomous body will be eligible for pro-rata retirement benefits in accordance with the provisions of the Ministry of Finance OM No.26(18)EV(B)/75 dated the 8th April, 1976, as amended from time to time. In case of quasi-permanent or temporary employees, the terminal gratuity as may be admissible under the rules would be actually payable to the individual on the date when pro-rata retirement benefits to permanent employees become payable. However, in the case of absorption of a Government employee with CPF benefits, in such an autonomous organisation, the amount of his subscription and the Government's contribution, if any, together with interest thereon shall be transferred to his new Provident Fund account with the consent of that body.

(ii) An employee of an autonomous body on permanent absorption under the Central Government will have the option either to receive CPF benefits which have accrued to him from the autonomous body and start his service afresh in Government or choose to count service rendered in that body as qualifying service for pension in Government by foregoing employee's share of CPF contributions with interest thereon, which will be paid to the concerned Government Department by the autonomous body. The option shall be exercised within one year from the date of absorption. If no option is exercised within stipulated period, employee shall be deemed to have opted to receive CPF benefits. The option once exercised shall be final.

(c) Absorption of employees of one Central Autonomous body in another Central Autonomous body

The above procedure will be followed mutatis mutandis in respect of employees going from one autonomous body to another.

4. "Central autonomous body" means body which is financed wholly or substantially from cess or Central Government grants. "Substantially" means that more than 50 per cent of the expenditure of the autonomous body is met through cess or Central Government grants. Autonomous body includes a Central statutory body or a Central University but does not include a public undertaking.

Only such service which qualifies for pension under the relevant rules of Government/Autonomous body shall be taken into account for this purpose.

5 (1) The employees of a Central autonomous body or Central Government, as the case may be who have already been sanctioned or have received pro-rata retirement benefits or

other terminal benefits for their past service will have the option either:-

(a) to retain such benefits and in that event their past service will not qualify for pension under the autonomous body or the Central Government as the case may be; or

(b) to have the past service counted as qualifying service for pension under the new organisation in which case the pro-rata retirement or other terminal benefits, if already received by them, will have to be deposited along with interest thereon from the date of receipt of those benefits till the date of deposit with the autonomous body or the Central Government, as the case may be. The right to count previous service as qualifying service shall not revive until the whole amount has been refunded. In other cases, where pro-rata retirement benefits have already been sanctioned but have not yet become payable, the concerned authorities shall cancel the sanction as soon as the individual concerned opts for counting of his previous service for pension and inform the individual in writing about accepting his option and cancellation of the sanction. The option shall be exercised within a period of one year from the date of issue of those orders. If no option is exercised by such employees within the prescribed time limit, they will be deemed to have opted for retention of the benefits already received by them. The option once exercised shall be final.

(2) Where no terminal benefits for the previous service have been received, the previous service in such cases will be counted as qualifying service for pension only if the previous employer accepts pension liability for the service in accordance with the principles laid down in this office Memorandum. In no case pension contribution/liability shall be accepted from the employee concerned.

6. These orders will be applicable only where the transfer of the employee from one organisation to another was/ is with the consent of the organisation under which he was serving earlier, including cases where the individual had secured employment directly on his own volition provided he had applied through proper channel/with proper permission of the administrative authority concerned.

7. These orders will take effect from the date of issue and the revised policy as enunciated above will be applicable to those employees who retire from Government/autonomous body service on or after the date of issue of these orders.

The provisions contained in the Ministry of Finance Office Memorandum No.26 (18)EV (B)/75 dated the 8th April 1976 and office Memorandum No.25(1) EV/83, dated the 8th September, 1983 or any other orders shall, in so far as it provides for any of the matters contained in this office Memorandum cease to operate.

8. The Ministry of Education and Culture etc., are requested to advise the autonomous/statutory bodies under their administrative control, with specific directions to the Financial Advisers concerned, to ensure to make necessary provisions in their Rules and Regulations/Articles of Association in accordance with the provisions contained in this Office Memorandum. In cases where any practice otherwise than enumerated above is presently being followed the same may be revised in accordance with the provisions of this Office Memorandum so that uniformity is maintained in such matters in all the organisations.

9. In so far as persons serving in the Indian Audit and Accounts Department are concerned these orders issue after consultation with the Comptroller and Auditor General of India.

37. Invalid Pension:-

(1) A Government servant who is declared by the appropriate medical authority to be permanently incapacitated for further service in accordance with the instructions on the subject may be granted invalid pension;¹[subject to Rule 45]

[²]

(2) Where the medical authority referred to in sub-rule (1) had declared a Government servant fit for further service of less laborious character than that which he has been doing, he may,

if possible, be employed on lower pay and if there be no means of employing him even on a lower pay he may be admitted to invalid pension.

- (3) (a) If the incapacity is directly due to the irregular or intemperate habits of a Government servant, no invalid pension may be granted.
- (b) If the incapacity has not been directly caused by such habits, but has been accelerated or aggravated by them, it shall be for the pension sanctioning authority to decide what reduction should be made on this account.

1. The sub-rule (4) under rule 37 the orders issued by G.O.Ms.No.35, F&P (FW.Pen.I) Dept., dt 10-4-2000 was cancelled by G.O.Ms.No.814, Finance (Pen.I) Department, dt 23-9-2002 w.e.f 27-4-2002.

- (ii) if there are no such surviving members of the family as in sub-clause (i) above, but there are one or more members as in clauses (v), (vi), (vii), (viii), (ix), (x) and (xi) of sub-rule (5) of Rule 46 to all such members in equal shares.
- (2) if a Government servant dies after retirement without receiving the gratuity admissible under sub-rule (1) of Rule 46 the gratuity shall be disbursed to the family in the manner indicated in sub-rule (1).

- (3) The right of a female member of the family, or that of a brother, of a Government servant who dies while in service or after retirement, to receive the share of gratuity shall not be affected if the female member marries or re-marries, or the brother attains the age of eighteen years, after the death of the Government servant and before receiving her or his share of the gratuity.
- (4) Where gratuity is granted under Rule 46 to a minor member of the family of the deceased Government servant, it shall be payable to the guardian on behalf of the minor.

Note 1 :- If a nominee, who was entitled to receive the amount of retirement gratuity on the date of death of the Government servant dies before getting the payment, the right to the amount or share of the gratuity shall pass on to the alternative nominee or nominees. In case there are no alternative nominees, the amount or share of gratuity shall be paid in equal shares to the co-nominees of the person concerned, if any, and failing that, it shall be distributed in equal shares among the surviving members of the family of the deceased Government servant as in the case of no nomination.

Note 2 :- Payment of minor's share of Retirement Gratuity to guardian:-

- (i) Payment of the minor(s)' share of retirement gratuity is to be made to the natural guardian of the minor(s), and in the absence of a natural guardian, to the persons who furnishes a guardianship certificate.
- (ii) The legal position as to whom the share of a minor in the capacity of minor's natural/legal guardian would be payable is explained as under:-
 - (1) Where no valid nomination subsists:
 - (a) When a share is payable to minor sons or minor unmarried daughters, it should be paid to the surviving parent except in the case when the surviving parent happens to be a Muslim lady. Where, however, there is no surviving parent, or the surviving parent is a Muslim lady, payment will have to be made to the persons producing the guardianship certificate.

- (b) When a share is payable to widowed minor daughter(s), production of a guardianship certificate would be necessary.
- (c) If in a rare case the wife herself happens to be a minor, the retirement gratuity payable to her shall be paid to the person producing the guardianship certificate.
- (d) When there are no surviving members of the family as in clauses (i), (ii), (iii) and (iv) of sub-rule (5) of Rule 46 and the retirement gratuity becomes payable to a minor brother or a minor unmarried sister, the payment should be made to the father or, in his absence to the mother of the beneficiary except in a case where the mother happens to be a Muslim lady. In this case too, if there is no surviving parent or the surviving parent happens to be a Muslim lady, the payment will have to be made to the person producing the guardianship certificate. If any share is payable to a widowed minor sister the production of guardianship certificate would be necessary.
- (e) Where the share is payable to a married minor girl in whose favour a valid nomination subsists, the share shall be payable to her husband.

Note 3 :- Special Relaxation for payment of minor's share without guardianship certificate, up to the extent of Rs.5,000/-

- (1) Note (2) lays down that the payment of minor's share of retirement gratuity is to be made to the person producing a guardianship certificate when there is no surviving parent or the surviving parent is a Muslim lady. It has been represented that in many cases, the production of guardianship certificate causes great inconvenience and entails delays in the settlement of the claims.
- (2) It has been decided in modification of the above decision that payment of retirement gratuity to the extent of Rs.5,000/- (or the first Rs.5,000/- where the amount payable exceeds of Rs.5,000) in favour of a minor may be made to his/her guardian, in the absence of a natural guardian, without the production of formal guardianship certificate but subject to the production of an indemnity bond with suitable sureties to the satisfaction of the sanctioning authority. The balance in excess of Rs.5,000/-, if any, would become payable on the production of a certificate of guardianship.

- (3) It is essential, however, that there should be adequate prima facie grounds for making payment as in para (2) above, to the persons claiming it. Such ground can exist only if he is shown by a sworn declaration to be a defacto guardian and his bonafides have been ascertained. Even if a guardian has not yet been appointed by the Court, if the minor and his property are in the custody of some person, such person is in law a defacto guardian. The authorities making the payment should, therefore, require the person who comes forward to claim payment on behalf of the minor, to satisfy them by an affidavit that he is in-charge of the property of the minor and is looking after it or that, if the minor has no property other than the gratuity, the minor is in his custody and care. The affidavit so to be produced is in addition to the indemnitybond with suitable sureties.
- (4) The indemnity bond which is to be required to be produced by a defacto guardian of minor(s) for payment of retirement gratuity to the extent of Rs.5,000 should be executed in the prescribed form.
- (5) The indemnity bond should be signed by the obliger and the surety/sureties or their respective attorneys appointed by power(s) of attorney. The indemnity bond on behalf of the Governor should be accepted by an officer duly authorised under Article 299(1) of the Constitution.

On the other hand if the employee contracted second marriage with the permission of the competent authority such wife will have legal status for all purposes for receiving family pen-

2. Whether family pension can be sanctioned when a pensioner is survived by a widow and eligible minor children of the second widow.
3. Whether the share of family pension can be paid to the second widow if the first wife relinquish her rights to their step mother (second wife) irrespective of the personal laws by which they are governed.
4. Whether two widows compromise in a Court of Law and get a compromise decree, whether family pension can be paid to them in equal shares.....
- sion alongwith the first wife or the children of the first wife. In terms of sub-rule (6) of rule 50 APRPRs 1980. If the second marriage is contracted before the introduction of A.P. Civil Services (Contract) Rules 1964, Family Pension can be paid in the same manner.
- This point is covered by sub-rule (6) of the rule 50 of the Andhra Pradesh Revised Pension Rules, 1980, accordingly to which the family pension can be shared between one widow and the eligible children of the second widow. No further clarification is necessary.
- Where a member of the family relinquishes his/her right of Family Pension or gratuity in favour of other members for receiving the same, the more appropriate course would be to sanction the family pension or gratuity only in favour of the members entitled to it as per the rules to avoid future complications and litigations of all types.
- Where two widows compromise in a court of Law and get a compromise decree, action for sanciton of Family pension shall have to be taken strictly in accordance with the directions contained in the judgement of the court to avoid future litigation.

3. Verification of Service Particulars

(a) As service register is a vital record for pension verification, the concerned Heads of Offices shall personally ensure that the service particulars are duly entered in the service registers and are always kept up to date. The following documents should invariably be attached to the Service Register.

1. List of family members duly certified by competent authority.
2. Option to various pension rules exercised from time to time duly countersigned by the competent authority.
3. Option to pay scales exercised from time to time duly countersigned by the competent authority.

4. Nomination form.

- (b) Every Head of Office shall as soon as the Government employee (Other than Class-IV & other low paid employees) completes 25 years of service, forward the Service Book to the Accountant General, Andhra Pradesh, for verification of the service particulars and have a certificate recorded in the Service Book to the effect that the service upto the specified date (date should be specified by the Accountant General) has been accepted in audit for purpose of Pension.

In the case of Class-IV and other low paid employees, the verification shall be done by the Head of the Office / Head of the Department since the verification of pension in these cases had been taken out of the purview of the Accountant General.

- (c) The Head of the Office shall review the service register of the retiring Government servant, two years before the date of retirement of the Government servant, to satisfy himself that the service registers are completed in all respects and the certificates of verification are recorded there in for the entire service.
- (d) In respect of unverified portion of service, if any, the Head of Office shall arrange to verify the same with reference to Pay Bills / Acquittance Rolls.

This certificate may be issued on the basis of any collateral evidence and

after obtaining from the Government servant in writing, a declaration, that he had, in fact rendered that period of service. He should, at the foot of the statement, make and subscribe to a declaration as to the truth of that statement and should in support of such declaration, produce all documentary evidence and furnish all information which is in his power to produce or furnish.

- (h) In cases where the service register itself is lost or is not traceable, once the date of appointment is established with reference to direct independent evidence, an affidavit given by the employee in respect of his service duly supported by collateral evidence of contemporary employees shall be accepted.

[G.O.Ms.No.224, Fin & Plg (FW:Pen.I) Dept., dt 28.8.1982]

- (i) Heads of Offices in respect of non-gazetted officers and Heads of Departments in respect of Gazetted Officers shall be personally held responsible for any omission in the verification of service or any other entries in the Service register for the entire period of service of a Government servant.
- (j) In the case of sanction of family pension to the families of Government employees who died on or after reorganisation of the States, in whose cases records were lost due to floods or otherwise, it would be sufficient, if an applicant produces collateral evidence about the deceased employee's service or if the number of the P.P.O. of the deceased pensioner is mentioned in the application. In such cases, family pension has to be sanctioned from the date of issue of the order based on the affidavit filed by a contemporary or co-pensioner before the Notary Public. If the number of P.P.O. is indicated in the application, it can be taken, after due verification of P.P.O. that the claim is bonafide one. However, if no particulars are available either in the application of the applicant or with the concerned department for verification, the claim may be rejected straightaway.

These instructions are applicable in case of pensioners and family pensioners and employees who retired/ died before 1964 and also in case of employees whose service records are destroyed not on account of their fault, but on account of floods, fire etc., even subsequent to 1964.

[Circular Memo.No.02663-A1/37/A/Pen.I, dt. 22.3.1994 of Finance & Planning (FW:Pen.I) Department]

- (k) Heads of Offices in respect of non-gazetted officers and Heads of

[G.O.Ms.No.184, F&P (FW.Pen.I) Dept., dt. 5.5.1976]

- (ii) The orders issued in G.O.Ms.No.184, Fin & Plg (FW.Pen.I) Department., dt. 5.5.1976, are extended to all cases to avoid hardship caused due to delay in settlement of pension cases. It is also clarified that the age at appointment can be delinked from the finalisation of pension.

[Circular Memo No.9056-E/267/A2/Pen-I/91, dt. 10.1.92 Fin & Plg (FW.Pen.I) Department]

- (m) In the case of Class-IV employees, and other low paid employees like Police Constable, Head Constables, Excise Constables and Forest Guards, etc., detailed verification of service particulars to arrive at the qualifying service of retiring employees of these categories is not necessary. The entries in the Service Book as they are should be accepted without any further scrutiny. The date of birth, the date of appointment and the date of retirement as entered in the service book should be accepted and the qualifying service worked out on that basis excluding :

- (i) period specifically entered in the service book as non-qualifying,
 (ii) interruptions in service which are automatically condoned,
 (iii) suspensions adjudged as penalty; and
 (iv) extra-ordinary leave in excess of 3 years granted on other than medical certificate, for prosecuting higher scientific and technical studies and due to his inability to join or rejoin duty on account of civil commotion.

Where there is no entry as to whether a particular period of suspension or extra-ordinary leave counts for pension or not, that period will auto-

matically be taken as qualifying service in the absence of any orders to the contrary subject to the limit applicable to extra-ordinary leave. Therefore, in Part-II of the form for assessing Pension & Gratuity, the date of entry into service, the date of retirement and the periods not counted for pension should be shown. No other verification of the service particulars need be made in the case of these low paid employees.

Note : See also executive instruction No. (ii) under rule 9 and executive instruction No (iv) under rule 52.

13. Action by the Pension Issuing Authority

- (a) After the receipt of the pension papers from the Pension Sanctioning Authority, the Pension issuing authority (i.e., the Accountant General, Andhra Pradesh/Local Fund Authorities) will take action to authorise the pensionary benefits sufficiently early so that the retiring Government servant will be able to get the Pensionary benefits immediately after actual retirement.
- (b) When once Part-II-(B) of the pension form was signed and sent, the pension issuing authority has got authority to release the full pensionary benefits unless he hears from the Pension sanctioning authority either to withhold the pension in full or to effect any cut in the pension before the employee actually retired.
- (c) All the Pension sanctioning authorities should note that, if they wish to get the service pension or gratuity of a retiring employee withheld or to be released after imposing a cut, they should necessarily inform the Pension Issuing Authority about it before the employee actually retires, as otherwise, the Pension Issuing Authority will release full service Pension and Gratuity admissible under the rules without waiting for any further specific sanction or issue of a certificate by the Pension Sanctioning Authority. The Pension Issuing Authority need not wait for the receipt of Last Pay Certificate. On the other hand, if there are no major recoveries or if the Last Pay Certificate is not received, the Pension Issuing Authority will withhold 10% of Retirement Gratuity or Rs.1000/, whichever is less. Even this withheld amount can be released by the Pension Issuing Authority automatically on the expiry of 3 months after retirement without any reference to the Pension Sanctioning Authorities, if nothing is heard from Pension Sanctioning

Authority. Therefore, it is imperative that the Heads of Office/Departments/Pension Sanctioning Authorities, should communicate to the Pension Issuing Authority, in advance to the actual date of retirement of the Government servant, if there are any circumstances necessitating withholding of release of pension and or Gratuity to the employee who retires and also to communicate the amount due and recoverable from the retirement gratuity failing which they alone shall be held responsible for any loss which may be caused to Government.

14. Procedure to be followed to settle Gratuity and Family Pension in certain cases

(i) Retirement Gratuity :

If the deceased Government servant, on the date of death, has rendered more than 5 years but less than 18 years of qualifying service and the spell of last 5 years service has been verified and accepted by the head of the Office/Department, the amount of retirement Gratuity shall be subject to a minimum of *[9 times of his emoluments] as in Rule 46 (1) (b), of Andhra Pradesh Revised Pension Rules 1980, where the verified accepted service is less than 5 years of qualifying service, the amount of service gratuity shall be as in Rule 46 (3) of Andhra Pradesh Revised Pension Rules 1980. If the Government servant had rendered more than 18 years of service and the entire service is not capable of being verified and accepted, but the service for the last five years has been verified and accepted, the family of the deceased Government servant shall be allowed, on provisional basis, gratuity equal to *[9 times the emoluments]. Final amount of the gratuity shall be determined by the Head of Office/Department on the acceptance and verification of the entire spell of service which shall be done by the Head of Office/Department within a period 6 months from the date on which the authority for the payment of provisional gratuity was issued. The balance if any, becoming payable as a result of determination of final amount of Retirement Gratuity, shall then be authorised to the beneficiaries.

* **Note :- Revised calculation of gratuity in the above cases w.e.f 30-1-99 is as follows :-**

1/4 of pay last drawn for each completed six monthly periods of 18 years is 9 times only as per [G.O.Ms.No.14, F&P (FW.Pen.I) Dept., dt 30-1-99], the earlier provision was 12 times.

(ii) Family Pension :

Within one month of receipt of intimation of date of death of the Government servant, the amount of family pension shall be determined as indicated below :

- (a) The service and emoluments for the last years of service shall be verified and accepted by the Head of Office/Department and the family pension determined under Rule 50(2) of Andhra Pradesh Revised Pension Rules 1980, if the deceased Government servant on the date of death had rendered more than one but less than seven years of service.
- (b) The service for the last seven years and emoluments for service rendered in the last years shall be verified and accepted by the Head of Office and the amount of family pension and the period for which it is payable shall be determined under Rule 50 (3) of Andhra Pradesh Revised Pension Rules 1980, if the deceased Government servant on the date of death had rendered more than seven years continuous service.
- (c) If the deceased Government servant at the time of death has rendered more than seven years of service and the same is not capable of being verified and accepted by the head of Office/Department, but the service rendered during the last year is capable of being verified and accepted, pending the verification of service for 7 years, family pension in accordance with Rule 50 (2) of Andhra Pradesh Revised Pension Rules 1980, shall be calculated. However, within next two months, the service for the last 7 years shall be verified and accepted and the amount of family pension at enhanced rate and the period for which it is payable shall be determined in accordance with Rule 50 (3) of Andhra Pradesh Revised Pension Rules 1980.

- (ii) An indemnity bond should be taken from the nominee/dependent of the employee that all payments will be adjusted against the payments due to the employee in case he appears on the scene and makes any claim.
- (iii) The Head of the Office will assess all Government dues outstanding against the Government servant and effect recovery in accordance with instructions in force for effecting recovery of Government dues.

- (vi) In case of any delay in lodging of F.I.R., no payment is admissible from the date following the date of disappearance to the date of filling the F.I.R.
- (vii) The indemnity bond obtained from the family will be retained with the Head of the Office. The bond need not be forwarded to the Accountant General, Andhra Pradesh. However, the fact of obtaining the Bond should be certified by the Head of office while sending the pension papers to the Accountant General, Andhra Pradesh.

[G.O.Ms.No.241, Finance & Planning (FW.Pen.I) Department, dt. 10.9.1987 read with G.O.Ms.No.41, Finance & Planning (FW.Pen.I) Department, dt. 8.2.1994]

The family pension beneficiary shall have to apply to the Pension Sanctioning Authority, with the above documents and indemnity bond and based on the sanction of pension, by the Pension sanctioning authority, the pension disbursing officer will take necessary action for commencement of enhanced family pension/family pension, without any further authorisation of the Accountant General, Andhra Pradesh.

- (ii) In respect of cases where there is no family pension endorsement in the Pension Payment Order, the family pension beneficiary has to apply for family pension in the prescribed proforma along with the above documents to the Pension Sanctioning Authority for further action.
- (iii) Family Pension is payable from the date of filing of F.I.R. but, however, be sanctioned by the Pension Sanctioning Authority and paid only after one year from the date of filing of F.I.R.
- (iv) Life time arrears of service pension from the date of last payment to the date of disappearance will be payable to the nominee/legal heir. No payment will however be admissible as in (i) above
- (v) Enhanced family pension will be regulated with reference to the date of disappearance of the pensioner.
- (vi) In cases where the date of death is specifically declared by a Court of law, the same date shall be accepted as the actual date of death.

(In respect of cases, where the period of seven years was already over, before the issue of orders in G.O.Ms.No.241, Finance & Planning (FW.Pen.I) Department, dt. 10.9.1987, such cases have to be settled under Section 108 of Indian Evidence Act and Payment regulated accordingly)

The instructions contained in (B) and (C) above, regulate the cases of disappearance in the normal circumstances and not to cases in which officers disappear after committing frauds etc. In the latter types of cases, the family pension needs to be sanctioned only on the Government servant being acquitted by the Court of law or after the conclusion of the disciplinary proceedings etc. as the case may be.

D. Sanction of Family Pension where records are destroyed on account of flood, fires etc. :

In the case of pensioners and family pensioners and employees who retired/died before 1964 and also in case of employees whose service records are destroyed not on account of their fault but on account of flood, fires etc. even subsequent to 1964, the following order are issued.

To avoid hardship, in the above types of cases, it would be sufficient, if an applicant produces collateral evidence about the deceased employee's service or if the number of Pension Payment Order of the deceased pensioner is mentioned in the application, in respect of cases where no service documents are available for entertaining applications for sanction of family pension. In such cases, family pension has to be sanctioned from the date of issue of the order, based on the affidavit filed by a contemporary or co-pensioner before the Notary Public. It is further clarified that in case the number of Pension Payment Order is indicated, there may not be any need to verify, the particulars, since it can be taken after due verification of Pension Payment Order number, that the claim is a bonafide one. If no such particulars are available either in the application furnished by the applicant or with the concerned department for verification, the claim may be rejected straight-away.

[Circular Memo No. 02663-A/37/Pen.I/94, dt. 22.3.1994 of Finance & Planning (FW.Pen.I) Department - w.e.f. 22.3.1994]

The authority reappointing him shall specifically state in the order of reappointment whether any deduction is to be made from pension or salary as required by the rules in this chapter and shall communicate a copy of the order to the Audit officer.

Note :- The principle of this article applies in the case of continued employment from Government service. The amount of pension to be declared is that sanctioned originally (i.e. it shall be inclusive of any amount that may have been commuted (vide Articles 524 B, 524 C)

Article 510-A :- The attention of every officer who is re-employed should be specifically called to the provisions of this chapter by the authority re-employing him, and, whenever he becomes aware of such an appointment, by the Audit Officer, but the failure of such authority to do this will not be admitted as a ground for conducting any breach of the regulations contained in this chapter.

Note :- An officer counts his previous service under Clause (b) if on re-employment his pension remains wholly in abeyance under the proviso to clause (a).

If the incapacity does not appear to be complete and permanent, the certificate should be modified accordingly and the following addition should be made : I am (we are) of opinion that A.B. is fit for further service of a less laborious character than that which he has been doing (or may, after resting for months, be fit for further service of a less laborious character than that which he has been doing).

(b) The object of the alternative certificate of partial incapacity is that an officer should, if possible be employed even on lower pay, so that the expenses of pensioning him may be avoided. If there be no means of employing him even on lower pay, then he may be admitted to pension; but it should be considered whether, in view of his capacity for partially earning a living, it is necessary to grant to him the full pension admissible under rule.

Special Precautions in the Police

Article 449 :- Superintendents of Police should be on their guard against

endeavours to retire on invalid pension by officers who are capable of serving longer.

Article 450 :- Medical Officers should confine themselves recommending leave so such policemen as are not likely to benefit by a further stay in hospital and should not certify that a policeman is incapacitated for further service unless they are officially requested to report upon his incapacity for further service.

Article 451 :- Medical Officers should be specifically searching in their examination of the physical unfitness of every applicant for pension, and, whenever the number of applicants for pension is large, the examination should, if possible, be conducted by two Medical Officers.

Restrictions

Article 452 :- An officer discharged on other grounds has no claim under Article 441 even although he can produce medical evidence of incapacity for service.

Article 454 :- If the incapacity is directly due to irregular or intemperate habits to pension can be granted. If it has not been directly caused by such habits, but has been accelerated or aggravated by them, it will be for the authority by which the pension is grantable to decide what reduction should be made on this account.

Rulings

1. The mere fact that an officer has suffered from syphilis is not sufficient to bring him under the operation of this article, provided there is nothing against his character in other respects. In the event of his retirement being necessitated by such cause, the record of his service should be examined. The presumption may be against the officer, but it should not be accepted as other than a presumption and should be viewed as capable of being completely rebutted by the general evidence as to character and conduct.

2. It is for the authority, which is empowered to sanction his pension or gratuity, to decide whether the incapacity is the result of irregular or in-

temperate habits. The Audit Officer should certify the applicant's title to pension or gratuity with some such proviso as the following :-

“Provided that the sanctioning authority is of opinion, on consideration of the Medical certificate and other evidence as to habits and character, that the incapacity has not been proved to be caused by irregular or intemperate habits”.

3. (a) A Government servant reported to be suffering from leprosy or syphilis should not at once be invalided but should be granted such leave as may be necessary, but not exceeding the amount to his credit to enable him to undergo proper treatment and he should be invalided from service in the former case only if after undergoing the treatment for the full period of the leave to his credit he is still certified to be infected with the disease, and in the latter case only if he refused to undergo the treatment prescribed by competent medical authority or if such authority considers the treatment has failed.

(b) The following instructions have also been issued by Government for the guidance of medical officers in cases of syphilis and leprosy :-

- (i) Syphilis and leprosy are amenable to treatment.
- (ii) A Government servant reported to be suffering from the diseases need not necessarily be invalided from service.
- (iii) He may be granted such leave as it necessary but not exceeding the amount which he has to his credit in order to enable him to undergo proper treatment.
- (iv) A Government servant who is suffering from these diseases and who refused to undergo the treatment prescribed by competent medical authority or where such authority considers that the treatment has failed, is liable to be invalided from service.
- (v) The question of the grant of an invalid pension will be decided on the merits of the case.
- (vi) A Government servant who has been granted leave to undergo treatment for syphilis should be allowed to return to duty only on the production of a certificate from the Director of the King Institute, Guindy, or other recognized laboratory, that his

Wasserman reaction has been negative for two consecutive examinations made at an interval of three months or, if the head of office is satisfied that adequate facilities for continued treatment exist at the station to which the individual is posted. In the case of Government servants under the treatment of a Government Medical Officer, the Wasserman test will be conducted free of charge at a Government laboratory.

(c) If, however, he actually undergoes the treatment prescribed while under regular leave due, there is no objection to the grant of leave not due in continuation thereof.

Article 455 :- An officer who has submitted under Article 442, a medical certificate of incapacity for further service shall, if he is on duty, be invalidated from service from the date of relief of his duties, which should be arranged without delay on receipt of the medical certificates, or if he is granted leave under the subsidiary rule 24 under rule 74 (a) contained in Annexure II-Part I of the Fundamental Rules, on the expiry of such leave, if he is on leave at the time of submission of the said medical certificate, he shall be invalidated from service on the expiry of that leave or extension of leave if any granted to him under subsidiary rule 24 under rule 74 (a) contained in Annexure II - Part I of the Fundamental Rules and if the medical authority has declared a Government servant fit for further service of less laborious character than that which he has been doing he may, if possible, be employed on lower pay and if there be no means of employing him even on a lower pay, he shall be admitted to pension.

APPENDIX - V

Extraordinary Pensions

(Extract from Manual of Pensions issued in 1976)

209. Extraordinary pension is sanctioned under the Extraordinary Pension Rules, Andhra Pradesh Extraordinary pension/gratuity/family pension is awarded to a person to whom these rules are applicable vide para 210 below and who suffers an injury or is killed or dies as a result of accident or violence. It is also awarded to those who contract.

(i) venereal disease or septicaemia whether such disease is contracted by a medical officer as a result of attendance in the course of his official duty on any patient or of conducting post-mortem examination in the course of that duty; or

(ii) a disease solely or directly attributable to an accident; or

(iii) an epidemic disease contracted by an officer in consequence of his being ordered on duty to an area in which such disease is prevalent or in consequence of his attending voluntarily out of humanitarian motives, upon any person suffering from any such disease, in any area where he happens to be in the performance of his duties. The injury or disease may be a risk of office or special risk of office. The term "accident", "disease", "injury", "risk of office" and "special risk" and "violence", are defined in the rules. These terms, therefore, have the specific meaning, as defined in these rules, in the application of these rules.

209.1 This is a special award in addition to the pension or gratuity admissible under any other rules unless stated otherwise in the rules.

210. **To whom applicable** :- It shall apply to all persons paid from civil estimates other than those to whom the Workmen's Compensation Act 1923 (Act VIII of 1923) applies, whether their appointment is permanent or temporary or on time scale of pay or fixed pay or piece-work rates, who are under the rule-making control of the State Government.

211. **Competent authority to award Extraordinary Pension** :- Extraordinary pension is awarded under these rules with the sanction of the

State Government only. In making an award the State Government may take into consideration the degree of default or contributory negligence on the part of the Government servant who sustains an injury or dies as a result of an injury or is killed.

212. Award of extraordinary pension not to affect other pensions unless where so stated in the rules - not to be taken into account for fixing pay on re-employment:- An award made under these rules except where otherwise stated in the rules, shall not affect any other pension or gratuity for which the Government servant concerned or his family may be eligible under any other rules and the pension granted under the provisions of these rules shall not be taken into account in fixing the pay of the pensioner on his continued employment or re-employment in Government service.

213. Extraordinary Pension Rules to prevail where these rules and Family Pension Rules of 1964 are applicable in certain cases :- In respect of cases arising on and after 24-1-1969 family pension to the families of Government servants governed by the Family Pension Rules of 1964 as well as the Extraordinary Pension Rules of Andhra Pradesh, who die as a result of "risk of Office" or "special risk of office" as defined in these rules, shall be paid only under these rules and not under the Family Pension Scheme of 1964. For the purposes of the Extraordinary Pension Rules, "injuries", as defined in the rules, are classified into 3 classes and depending upon the class under which the injury sustained by a Government servant falls, the gratuity or pension admissible to him has to be determined with reference to rule 9 of the Extraordinary Pension Rules. The classification of injuries are as follows :

Class 'A' :- Injuries caused as a result of special risk of office which have resulted in the permanent loss of an eye or a limb or are of a more serious nature.

Class 'B' :- Injuries caused as a result of special risk of office and equivalent, in respect of the degree of disablement which they cause to the loss of a limb or are very severe; or injuries caused as a result of risk of office which have resulted in the permanent lost of an eye or limb or are of a more serious nature.

Class 'C' :- Injuries caused as a result of special risk of office which are severe, but not very severe, and likely to be permanent; or injuries caused as

a result of risk of office which are equivalent, in respect of the degree of disablement which they cause, to the loss of a limb or which are very severe and likely to be permanent.

214. **Temporary pensions also admissible :-** These rules also provide for grant of temporary pensions which are continued from year to year on the certificate of a Medical Board in certain specified cases as provided for in the rules.

215. **Temporary pensions can be converted into permanent pensions under certain circumstances :-** The temporary pension awarded under these rules may be converted into a permanent injury pension when the government servant is invalidated out of service on account of the injury in respect of which the temporary pension was awarded; or when the temporary pension has been drawn for not less than 5 years; or at any time if the Medical Board certifies that it sees no reason to believe that there will ever be a perceptible decrease in the degree of disablement.

216. **Scale of benefits :-** The scale of benefits admissible to widows and children of a Government servant, when the Government servant is killed or dies of injury received as a result of "special risk of office" or "risk of office" as the case may be (as defined in the rules) is admissible at the scale given in the rules (vide Rule 10 of the Extraordinary Pension Rules).

216.1. In the case of widows and motherless children of Government servants governed by the Andhra Pradesh Government Servants (Family Pension) Rules 1964 and the Extraordinary Pensions Rules, who are killed or who die of injury received as a result of "special risk of office" or "risk of office" as the case may be (as defined in the Rules) will be granted family pension under the Extraordinary Pension Rules at the scales, laid down in these rules besides gratuity if admissible under the provisions of Rule 10 of these rules.

216.2 **Payment to widows where more than one widow is left behind and one of whom is totally denied a share in the property left behind :-** In the event of Government servant leaving behind two or more lawful widows, the pension or gratuity admissible under these rules to the widows shall be divided equally among all the widows. If, however, any of widows is totally denied any share in the property of the Government servant under a will or deed made by him, such widow shall be ineligible to receive any award and shall not be taken into account for the purposes of these rules.

216.3 **Payment where any one widow is left behind but is totally denied a share in the property of the deceased** :- In the event of a Government servant leaving behind only one widow who is totally denied any share in the property of the Government servant under a will or deed made by him, she shall be ineligible to receive any award under these rules.

216.4 **Payment where no widow or children are left behind** :- If the deceased Government servant has left neither a widow nor a child, an award may be made to his father and his mother individually or jointly and in the absence of the father and the mother, to minor brothers and sisters, individually or collectively, if they were largely dependent on the Government servant for support and are in pecuniary need; but the total amount of the awards in the case shall not exceed one-half of the pension that would have been admissible to the widow under rule 10; and that each minor brother's and sister's share should not exceed the amount of pension specified in Schedule III (appended to these rules) for a "child who is not motherless".

216.5 Any award made to the father or mother or minor brothers and sisters will, in the event of an improvement in the pecuniary circumstances of the pensioner, be subject to review in such manner, as the State Government may by order prescribe.

217. **Where award under these rules not admissible** :- No award shall be made in respect of :
