Government of Andhra Pradesh
Forest Department.

Ref.No.29481/81-El
Dated:17.6.1981.

Office of the Chief Conservator
of Forests, Andhra Pradesh, Hyd.

Sri Munawar Husain, I.F.S.,
Chief Conservator of Forests.

CIRCULAR NO.23/81-El.

Sub:-Clear felling of fruit bearing and
M.F.P. Plantations - Regarding.

...

Instructions have been issued from time to time that while clearfelling the areas for conversion into plantations, Fruit bearing and M.F.P. trees should be retained intact and also to leave a belt of natural forests on the road-side and in between the coupes.

But instances have come to the notice of Chief Conservator of Forests that felling of fruit bearing and M.F.P. trees is being done in some of the conversion areas and that no belt of natural forests is left between the road and the coupe and between coupe to coupe, contrary to the instructions.

The Conservators of Forests and Divisional Forest Officers are once again informed that these instructions should be followed scrupulously and if any instances of felling Fruit bearing and M.F.P. trees come to the notice of Chief Conservator of Forests in future, the matter will be viewed very seriously.

The receipt of the reference may please be acknowledged at once.

Sd/-Munawar Hussain,
Chief Conservator of Forests.
