CIRCULAR NO.1/86

Sub: Representation of Forest Range Officers'  
Association - Restriction of T.A. -  
Liberalisation - Regarding.

-;-

The Range Officers Association during the quarterly meeting of the Standing Committee held on 2-1-1986 represented that number of instances have come to their notice where the T.A. bills of the Range Officers are being restricted even-after acceptance of the diaries by the concerned officers. This issue was discussed and it was felt that such restriction of T.A. bills may not be in the interest of the execution of works and protection.

It is therefore requested that the T.A. bills should be promptly scrutinised and passed as per rules, eligibility and availability of funds. The Divisional Forest Officers are requested to note the above observations and take necessary action.
