Government of Andhra Pradesh
Forest Department

Ref.No.3653/87-A4-i
Dated: 20.5.1987

Office of the Prl.Chief Conservator
of Forests, A.P. Hyderabad.

Sri K.V.S.Babu, IFS.,
Prl.Chief Conservator of Forests

-:-

CIRCULAR NO. 8/87

Sub: Estt. - F.D. - Forest Education A.P. School of
Forestry, Yellandu - Selection of Foresters
and F.G's for undergoing training in A.P.School
of Forestry, Yellandu - Instructions for
deputation for training - Reg.
-:-

Selection of the Foresters and Forest Guards for under-
going the training at the A.P.School of Forestry, Yellandu will
be made based on their seniority only. Inspite of this it has
been observed that, subsequent to selection and communication of
lists of individuals, to be trained, certain Divisional Forest
Officers and Conservators of Forests are coming forward with
proposals for exempting certain individual from deputing for
training for a particular period under some plea or the other.
The reasons usually cited are pressure of work, Departmental
collection of beedi leaveswork etc. due to which they are not
able to send the individual for training.

Having sent the lists for deputation for training and
subsequently requesting for exemption at the last moment or
even immediately after starting of training, will lead to a situation
wherein even selection of alternate Forester, F.Gs.becomes difficult.
Thus the entire training programme gets upset and the training
capacity of the school not fully utilised.

In view of the above position all the Conservators of Forests,
are requested to relieve the Foresters/Forest Guards who have
been selected for undergoing training in A.P.School of Forestry,
Yellandu, as per the list communicated to them by the Conservator
of Forests, Khammam without fail. In case ~~may~~ they are not in a
position to send some of the Foresters or Forest Guards due to
pressure of work (or) where any of the Foresters/Forest Guards are
on long leave on medical grounds(or) any of them is under suspension
(or) the Foresters/Forest Guards against whom charge sheets for grave
charges are pending, they should indicate the same in the proposals
itself while sending them to the Conservator of Forests, Khammam,
so that their selection could be deferred until such time they
are made available for training. However it should be realised
that lack of training certificate would adversely affect promotion
of Foresters/Forest Guards and exemptions should be sought for
only under special circumstances.

The Conservators of Forests are requested to follow the above
instructions scrupulously. The Divisional Forest Officers
working under their control may also be instructed suitably.

Receipt of this reference may be acknowledged urgently.

Sd/- K.V.S.Babu,
Prl.Chief Conservator of Forests.
