Detailed instructions on the Conservation of Forests vis-avis the modalities in processing the proposals for dereservation/deformstation were issued to all the Officers of Distribution List 'A' vide reference 1st cited. Therefore to speed up the proposals, a check slip has been prepared in two parts of which Part I is to be filled by the Forest Department and Part II to be filled by the user agency/requisitioning agency. A copy of the check slip in two parts is enclosed herewith.

The Conservators of Forests and Divisional Forest Officers are therefore requested to process and verify the proposals received from the User Agency/ Requisitioning agency with reference to the check slip strictly and call
