

are sold in open auction in Andhra Region, are not fetching good rates as the beedi leaves traders/Exporters/Manufacturers, registered under Andhra Pradesh Forest Minor Forest Produce Regulation of Trade Act, 1971 were not informed well in advance of the sale dates of beedi leaves. As a result, due to lack of competition at sale places, the beedi leaf is being sold at cheaper rates and the contractors who have purchased this material at cheaper rates in the auctions, are re-selling the material at lower rates compared to the rates sold by the Registered traders/Exporters/Manufacturers under Minor Forest Produce (beedi Leaf) Act, effecting the sale of the registered traders.

All the Divisional Forest Officers of Andhra Region are requested to send the sale notices to the contractors whose addresses are enclosed to this circular well in advance so as to reach them at least 15 days before the sale date. They are also requested to submit 10 copies of sale notice to the Conservator of Forests, State Trading Circle, Andhra Pradesh, Hyderabad so that few copies may be sent to the Beedi Leaves contractors association also.

Sd/-Pushp Kumar,
Chief Conservator of Forests(M).

To
All the Divl. Forest Officers in Andhra Region.

Ref.No.32361/89/J5,
Dated:21-7-1989.

Office of the Prl. Chief Conservator of Forests, A.P. Hyderabad.

Sri K.V.S.Babu, IFS.,
Prl. Chief Conservator of Forests,
& Ex-Officio Secy. to Government.
