Rc.No.15649/89/N3, dt.30-3-90.

The detailed procedure to follow by the Forest Divisions in connection with the collection of sales tax amounts in the sale of Forest coupes, abrus leaves etc., has been issued by the Accountant General, A.P., Hyderabad in his circular cited. According to which, the sales taxes amount collected should be credited in the departmental cash book under the head Forest deposits, Misc. deposits, and a cheque should be issued for the total amount realised as sales taxes during the month that to on the last day of the month.

Consequent on introduction of treasury system in Forest Department with effect from 1-4-1989, the forest officers can operate cheques only for works expenditure. Hence issue of cheques for sales tax is against the rules. Hence all the officers are advised that the sale taxes collected may be credited through challan to the sale taxes departmental head and note the challan No. and date in our records for information that the sale tax was collected and then only deliver the produce.

The above procedure should be followed in future.
