Sub:- Service Associations -- Seeking appointment with the Prl.Chief Conservator of Forests -- Regarding.

It is observed that some of the Office Bearers of different Forest Service Associations are suddenly approaching the Principal Chief Conservator of Forests seeking time to represent certain grievances. As the Prl.Chief Conservator of Forests is generally pre-occupied, it is not always possible to give time at short notice to hear their grievances. Moreover, such sudden representation can not be attended in absence of the back ground information.

1. Whenever the Service Association wants to meet the Principal Chief Conservator of Forests on any issue, the Association may do so by sending sufficiently Advance letter seeking such meeting with a list of issues proposed to be discussed.
2. After receipt of such letter, the issues involved will be examined and the Association will be given time to discuss such items.

The above procedure should also be adopted at Circle and Division level also.

All the Service Associations are requested to follow above procedure with immediate effect.
