CIRCULAR NO. 8/98.

Sub:- Disposal of disciplinary cases - Certain
guidelines - Regarding.

Ref:-1) Cir.No.19/63, dt.9-4-63, (Ref.No.36108/63/M3),
2) Guidelines given in the Forest Code.

...

It has been represented by the A.P.Junior Forest
Officers, Association that while dealing with the discipli-
nary cases arising out of Forest destruction due considera-
tion is not given about the difficulties faced by subordi-
nates and cases booked by them.

In this connection the Conservators of Forests and
Divisional Forest Officers are informed that there are clear
and elaborate instructions as to how to finalise the dis-
ciplinary cases involving destruction of forests in the
circular cited above which is very much relevant in these
days also. Further the forest code clearly emphasised the
duties of section officers, Forest Guards and Forest
watchers. If the protection staff are discharging their
duties as envisaged in the Forest code, the disciplinary
cases be examined with reference to patrolling the beats/
sections and bringing out the illicit fellings/encroach-
ments to the notices of the higher officers, booking of
cases for the destruction in the forests, tracing the
missing material, salvaging the stamp site material,
writing diaries and after due consideration the cases should
be finalised.

These instructions should be communicated to all
the Officers concerned.
